Government: Organizations that collectively serve as student government for the entire student body without significant duplication.
Residential: Organizations that collectively represent every student through their residences without significant duplication. Funding is provided for Housing Center Student Association, Interfraternity Council, National Pan-Hellenic Council, Panhellenic Council, and Multicultural Greek Council, and Latino Greek Council. No additional funding will be distributed to separate entities (houses/floors/chapters) of these organizations.
Campus Activities: Organizations that represent and serve every student through campus wide activities aimed at improving student life on campus without significant duplication. An organization that falls under the Campus Activities category may not represent a particular section of the student body, rather it must represent the entire student body.
