AS INTRODUCED
An act relating to the UOSA Parking Appeals Board; amending the UOSACA Title IV making it workable and functional; providing a short title; Stating purpose; providing for codification; and providing an effective date.

BE IT ENACTED BY THE UNIVERSITY OF OKLAHOMA STUDENT ASSOCIATION:

Section 1: TITLE. This Act shall be known and may be cited as the Parking Appeals Court Act of 2010.

Section 2: Additions shall be indicated with underlines and deletions with strikethrough.

Section 3: PURPOSE. The purpose of this act of legislation is to update the provisions of the UOSA Code Annotated in order to make this body workable and effective. Currently, the board is limited in the number of members that can process parking appeals as stated in section 15 of this chapter in the UOSACA. In past years many more individuals were appointed, which disregarded the statute in order to keep up with the flux of appeals. In addition, the current structure limits their time availability to work through appeals as mandated in section 17 of this chapter of this chapter of the UOSACA. Again, the morning timeslot as well as afternoon timeslots were not feasible and were disregarded. Because section 15 and 17 were not followed in previous years, change has now become necessary, and this piece of legislation works to update the rules in order to fit the current times with a more lasting solution. The new chair and president wish to comply with the rules; however, changes need to be made to maintain a functioning board.
