Chair's Report- The SGA conference applications went out yesterday, I think we will probably keep them open for about 2-3 weeks. I would encourage anyone to apply if you want to continue to be involved in congress. The conferences are really fun. It is a great way to talk to other schools. We will be taking three people if you need more information come talk to me after the meeting.

Vice Chair's Report-
You guys got the email about the legislative drive; I will be monitoring it so let’s maintain decorum. I will be keeping it updated. Movie night will be the week after OU Texas on a Tuesday so get excited! Also, Chimmy’s after congress!

Secretary's Report- Thank you to those who have emailed me their list of 5 RSOs. There are still quite a few of you who have not emailed me then, I will still be taking them this week so if you could email me them that would be great!

Committee Reports-

• AA
  We had a really productive meeting this past Sunday. Emily and I were talking about how with all of the legislation being written we are probably one of the most productive body in recent years.

• CA
  We saw two pieces of legislation and we gave each of them a recommendation of Do Pass. We started a new ongoing project looking at the academic districts you all are divided into and updating them.

• EA
  We had a really good meeting on Sunday last week Gillespie and I went to the city council meeting. We are looking at some legislation, one is to the city of Norman asking them to repeal their unrelated persons ordinance which states that three people who are not related cannot live in the same house.

• P&P
  We have a lot of things going through committee we saw one piece of legislation that you will see tonight about sealing off the seal. For those of you looking at the legislative forum and see an idea you want to write about, talk to any of us and we can direct you in the direction of who to talk to. There will probably be a workshop in my committee about how to write a piece of legislation.

• PR
  Still working on a logo, once I meet the graphic designer we will start working on that. My committee we will meet after this meeting.

• WAM
  We have emergency allocation number three to look over. We have also been conducting interviews for subsidiary and emergency this week.

Printing Funded by SGA

Gillespie: Sidewalk chalk artist is Oct 4th. also discussed funding and zoning, there will be an update on the Saxon park food drive as well.

**Special Orders**

SGA President, Matt Epting:

One Campus One Book, this is week one. There is still time to get the book. Online we posted a video with Dean Ray. The intro is what we are reading this week. Thursday night is the gubernatorial watch party.

Filing for SGA elections is next week. Our RSO consulting launched last week, if you know an RSO that has questions about how to work more effectively you can come to us. If you have suggestions on how to improve safe ride let us know. Netflix Fridays, we are open to suggestions for Friday.

Elwick: Is Netflix Friday all day?

Epting: It’s going to be from 10-3 I think. We have a new graphic designer, he has two office hours every single day. So feel free to stop by and say hi.

Byron: He’s actually going to be here at 8 tonight so hangout and say hi

Naqvi motion to move into committee as a whole sec Bourland

**920704 Emergency Allocation #3 (Cramm)**

Bourland sec Sample

Bourland: Will you be explain this legislation?

Cramm: Yes, we saw this legislation in committee on Sunday and I forgot to rec it, if someone could move to give it a recommendation that would be great.

Aragon: On information what is going on right now?

Byron: The legislation was not given a recommendation in committee so we are moving into a committee as a whole which means we are all one big committee right now so that we can give the legislation a recommendation.

Bourland rec of no rec sec Cramm

Sample motion to move back in to General sec Nguyen

Cramm: We met with

Sample: My question is that since most of these organizations asked for more money than they received, is that because they asked for things we could not fund or you didn't think they needed that much.

Cramm: it was a budgeting decision

Byron: did they have funding previously or why was it an emergency

Cramm: National organization of Minority architecture students had an even coming up OATS they had an October event.

Aragon: how do you usually evaluate emergency funding?

Cramm: we consider outreach to students among other things.

Aragon: What is the outreach of the national organization students?

Cramm: From what was described to me minorities are underrepresented in the field and they help reach out to them.

Aragon: how many students are in this club?

Cramm: don’t have that number

Searcy: How can we dictate outreach?

Cramm: attendance is something we look at and activities.

Sample: the air traffic control association asked for a lot of money what was that for?

Cramm: most of it was for PEA and a trip to DFW.

Sample: Why the DFW airport and not another?

Kirby: because the DFW airport is a much bigger airport, whereas Will Rogers is class B DFW is a lot bigger and has better facilities.

Byron: What is PEA?

Cramm: Programs, Events and Activities
Aragon: a lot of these groups seem really small how do you judge there outreach?
Cramm: For emergency in particular it was the event that we looked at.

**Old Business**

920807  An Act Consenting to the Nomination of Election Chair (Allen)(Exec-No Rec)

Nguyen sec Hill

Epting: My legislation before you tonight is to nominate an election chair. Filing is next week which is really soon so we need an election chair to manage the process. I put out apps online and publicized them, we received 12 apps and interviewed 3 candidates. Since he has been a congressional candidate he knows the process, what I want the most out of a candidate is someone who understands SGA rules

Petersen: Publicity is the main idea, we have a 20% turn out for voting. We want to use social media better. It's right on your computer why aren't people voting. We are also thinking about electronic filing, not for this election but maybe in the spring. Once we have an election board we might throw out some more ideas.

Byron: What do you think makes you more qualified than others that applied?

Petersen: I've served in congress; I have run for three elections that I won. Last year with the old election chair I helped go through title 7 and got to know more about it through that process.

Sample: As you remember last year there were uncontested races how do you hope to prevent that from happening again next year?

Epting: Tomorrow we are actually going to actively publicize filing. In the past the only people who ever filed were people who knew how. We want to make the process really transparent. We will have an OUMM out tomorrow.

Byron: what do you think about reopening filing, on site polling locations and are you in charge of fines?

Petersen: If we don’t have anyone apply we will reopen the deadline for filing.

Byron: what if only one person runs?

Petersen: No, we will for sure have one polling site probably in the union. I am in charge of fines.

**Searcy Consent**

**Items to Be Considered**

920310  An Act Amending the Student Congress Bylaws (Aragon) (ConAd - Do Pass)

Bourland sec Skelton

Aragon: when we originally amended the constituency service last year we wanted to fix some issues with constituency service, we did not take into account November elections. We wanted to change the wording to excuse constituent service for April and November and also require all new reps and associates to fill out a bio. We also changed January constituency service. It looks like a lot of changes but it's not, really just cutting and pasting.

Nguyen: Can you give a brief summarization of the changes anyway

Aragon: we made it so all reps and associates have to do a bio, if you author a bill you don’t have to do office hours. January you have to do your list of RSOs and then for April it’s just the changing about the elections. You only have to do it if you are not a newly elected member.

Nguyen: are there any punishments for those who don’t do constituency service

Aragon: Yes it counts as an absent and after 3 you can get kicked out

Skelton: what is constituent service?

Aragon: We want you to interact with your constituents, that’s the reason for the 5 RSOs

Hill: Is the bio no longer going to be a required constituency service?

Aragon: It is.

Searcy: What is the process of removing someone from congress?

Aragon: The Secretary is in charge of contacting you and if you don’t get back to her she can draft legislation to remove you from congress.

Searcy: is it okay to remove someone from congress that the students elected?

Aragon: yes

Sample: My question is about the August constituent service, please explain why new reps and associates don’t have to send the list of RSO’s until September?
Aragon: we wrote it that way together so we could wait until RSO’s start meeting.
Sample move to extend time for questions for the end of list Sec Nguyen
Nguyen: are the RSO’s that we have to send to Alma RSOs in our college or just any?
Aragon: we are hoping everyone doesn’t go to the same RSO’s
Barbee: In these months were you meet the RSO’s it says you have to send the secretary verification of
attendance what does that look like?
Aragon: That could be an agenda from the meeting, we just want to know you were there. We hope you don’t
lie to us.
Skelton: how many RSOs are registered on campus?
Ahmadi: over 60

920311 An Act Amending Emergency Funding Eligibility (Cramm) (ConAd- Do Pass)
Bourland sec Nguyen
Cramm: Before now with emergency funding you had to apply within the 4 weeks of classes and have taken
the RSO quiz to apply for subsidiary funding. This makes it to where new organizations after that date can
apply for funding.
Khan: Basically you are getting rid of the deadline to apply?
Cramm: Just for emergency.
Naqvi: Will the author accept a friendly amendment to edit section three to say: This act shall become
effective at the beginning of the spring semester of 2015.
Cramm: Yes
Bourland: will the minutes please reflect that the chair is high on Dayquil

920510 A Resolution Requesting a Chain be Placed Around the Seal (Aragon) (P&P– Do Pass)
Bourland sec Droege
Aragon: There has been a lot of talk about the seal and a lot of us feel very strongly about the seal. We feel
that the seal is an awesome gift and we are grateful for it and would like for students not to walk on it. This is
a recommendation to put black chains on it.
Bourland: I spoke with President Boren about this, with that in mind would you accept a friendly amendment
to change the word chain in the short title to decorative rope
Voice Vote to amendment
Passed
Friendly amendment adding
Whereas: It is generally understood that institutional seals on the ground at a school, high school, or
University are not to be walked on; and
Whereas: The Seal in the Stuart Landing is roped off; and
Whereas: President Boren is attempting to establish the tradition that the seal may only be walked over on the
day of your graduation; and
Whereas: Brian Holderead, Director of Architectural and Engineering Services says that repeated pedestrian
traffic can damage the seal; and
Friendly amendment to add me as co author
Aragon: I accept
Rice: Ropes or Chains?
Bourland: something similar to Stuart landing so ropes
Skelton: did president Boren give his personal opinion on the matter
Bourland: yes, he does not want it to be walked on.
Aragon: neither do we.
Epting: President Boren brought this up to me about a month ago and I suggested that we put up signs, so
you guys might remember a couple weeks ago with the caution tape and white signs. So it has been tried and
didn’t really work so I think the ropes are best.
Bourland: PR committee will gladly share that information
Sample: I move to extend questions to the end of the list
Sec Rice
Elwick: the visitor’s center has been notified to say it is a tradition
Epting: Yes
Searcy: How much will this cost?
Aragon: I assume those who are proponents of this, such as Boren, will take care of the cost.
Searcy: why were there no chains implemented during the initial design?
Aragon: I would assume that they thought people would know.
Kirby: are there not already posts set around the seal?
Aragon: I have no idea but since they are already there it will probably be easier to put them in place
Byron: Is there any concern in safety for bikers at night
Aragon: I think the area is well lit, and if they don’t see it they’re probably texting and deserve to fall

Aragon: I really don’t want to interrupt you guys when you’re talking, but I will get stricter on enforcing rules.
Sample: If you are interested in running a survey please talk to George
Nguyen: when is the deadline for the survey?
Aragon: If you feel like you want to have one, just make sure you are letting people know

SENATE BILL NO.
AS INTRODUCED
An act amending the SGA Code Annotated; providing short title; providing for codification; and providing an effective date.

BE IT ENACTED BY THE UNIVERSITY OF OKLAHOMA STUDENT GOVERNMENT ASSOCIATION:

Section 1: TITLE. This Amendment shall be known and may be cited as “Emergency Eligibility Act” of 2014.

Section 2: For the purpose of this Act, deletions shall be indicated with a strike-through and additions indicated with an underline.

Section 3: AMENDATORY. Title XII, Chapter 4, Section 28 of the SGA Code Annotated shall be amended to read as follows:

c. Eligibility
Each organization must meet all of these requirements.

i. Registration: Only those registered student organizations that are located on the Norman campus will be funded. Any student organization that is affiliated with the University of Oklahoma but not located on the Norman campus will not receive funding through this campus. Each organization must have been registered with the Office of Student Life by the fourth week of classes of the Fall in accordance with the Student Activities Policy, or the fourth week of classes of the Spring semester, or one week prior to submitting their emergency funding application.

ii. Organizations that were ineligible for the Primary Budget Process and Subsidiary Budget Process because of the one year registration requirement will be eligible for emergency allocations. They may still qualify for emergency funding as long as the organization has completed the requirements in Title XII, Chapter 4, Section 28 (c)(i.) “Registration.”

iii. Mandatory Registered Student Organization Training: each organization shall complete the current online Mandatory Registered Student Organization Training one week prior to applying for emergency funding.

iv. Interviews: Each organization must send at least one student representative to their scheduled emergency allocations interview. Failure to attend, without prior written approval from the SGA Budgetary Committee Chair, will result in the ineligibility of that organization for emergency allocations for the remainder of the current SGA fiscal year. If extenuating circumstances arise, the Chair of the SGA Budgetary Committee must be notified in writing by 4:00pm the next business day following the scheduled interview time. The SGA Budgetary Committee as a whole will review the requests to determine if funding will be granted. As amended by Budgetary Procedures Reform Act of 2010; Congressional Bill No. 840317 and Senate Bill No. GF10-54.
v. Standing: Only those student organizations in good standing with SGA and the University of Oklahoma shall be funded. Any student organization that is not in good standing shall not receive funding.

d. Additional Submissions Any organization that submits an emergency allocation application more than once within a fiscal year shall be ineligible for additional funding at the discretion of the Chair of the SGA Budgetary Committee; this decision is subject to reversal by the majority of the SGA Budgetary Committee.

Section 3: This act shall become effective immediately following passage and approval in accordance with the SGA Constitution.

AS INTRODUCED
A Resolution requesting a chain be placed around the seal on the South Oval; providing for distribution

Whereas: The Undergraduate Student Congress, the Graduate Student Senate, and the whole student body are very grateful for the gift of the seal; and

Whereas: The seal was donated to the OU Foundation by OU President David Boren and his wife, Molly Shi Boren; and

Whereas: The seal is a beautiful new addition to the South Oval; and

Whereas: The students of the University of Oklahoma respect OU traditions; and

Whereas: It is generally understood that institutional seals on the ground at a school, high school, or University are not to be walked on; and

Whereas: The Seal in the Stuart Landing is roped off; and

Whereas: President Boren is attempting to establish the tradition that the seal may only be walked over on the day of your graduation; and

Whereas: Brian Holderread, Director of Architectural and Engineering Services says that repeated pedestrian traffic can damage the seal; and

Whereas: The University of Oklahoma hosts many visitors every year that may not be aware of our traditions;

NOW, THEREFORE, BE IT RESOLVED BY THE UNDERGRADUATE STUDENT CONGRESS AND THE GRADUATE STUDENT SENATE THAT:

Section 1: To respect the seal and protect it from undue wear the University of Oklahoma will be requested to place chains around the University Seal on the northeast side of the South Oval.

Section 2: Copies of this resolution will be sent to:

- David Boren, President of the University of Oklahoma
- Brian Ellis, Director of Facilities Management
- Brian Holderread, Director of Architectural and Engineering Services
