The University of Oklahoma seeks to ensure that all publications representing the university convey a consistent and accurate message and image. Student Affairs requires that all departmental publications be submitted to the Vice President’s office for review. Additionally, all externally disseminated publications representing a college, school, department, administrative area or program of the university must be presented for review and approval by the Division of Public Affairs or other designated publications office. Please submit to the Vice President’s office first for review. Upon approval by Student Affairs, the publication will be forwarded to Public Affairs for review if necessary.

Please allow 5 days for review by Student Affairs and 5 days for review by Public Affairs.
