I, the undersigned, am a currently enrolled student at the University of Oklahoma. I understand that the legal services offered by the University of Oklahoma Student Legal Services program (SLS) are limited in nature. I understand that the attorney-client relationship created by my use of the SLS program is a short term relationship that does not extend beyond in office attorney consultation(s). Being fully aware of these limitations, I hereby consent to the limited scope of representation provided by SLS. I have been advised by SLS that I may need to seek further assistance of counsel. I have been informed that the SLS attorney is not paid for directly by me, but by the University of Oklahoma, a third-party payor. Being fully aware of this payment arrangement, and the other limitations addressed herein, I hereby provide my consent to such representation.
