Final Review and Approval
of paper submitted as
Honors Thesis

Student Name: ____________________________ ID Number: ____________________________

Faculty Advisor: __________________________ Research Department: __________________________

All University of Oklahoma Honors graduates must turn in an unbound copy of their Honors Thesis in order to fulfill the requirements for graduating with Honors. Your Honors Thesis is due to the Honors College main office by the Friday of finals week of your graduating semester. You can either submit your work from Honors Research 3980, or some other thesis-worthy material, such as a capstone research paper. For more information on the Honors Thesis standards, please see the “Thesis Standard” on the forms page of the Honors College Website under the Academics tab.
