President’s Message

Dear Friends,

Thanks to all who attended the very special Registration Event in September.

Michael Price Hall was bursting with friendship, incredible food, sensational posters and scrapbooks (UWA Charter Members Eilene Kleine, Dorothy Brinker and Marcia Goodman were seen enjoying those!) The “Anything Goes” girls are still humming the tune...and still crazy about Russell Mathis who was sensational on the keyboards!

Next up....November 11th and “Highlights of Our Birth” at the Stephenson Center from 3 to 5 on Sunday afternoon. Bring your favorite person and enjoy wine, nibbles and lively conversation! A don’t miss event!

November 30 brings the 2007 Winterfest Art Walk in Downtown Norman.

You will all receive an invitation to an exhibit of my watercolor paintings (with acrylic artist Maria Wollmann) at the NAC Gallery. Hope to see you there!

“Life is a great big canvas; throw all the paint on it you can”....quote from Danny Kaye (1913-1987) Entertainer.

Centennial Tribute

O.U. Authors on Statehood and the University

On Saturday, November 16, 1907, President Theodore Roosevelt signed a proclamation establishing Oklahoma as the 46th state of the United States. It officially joined the “Twin Territories,” Indian Territory and Oklahoma Territory, into a brand new state.

During 2007, as Oklahomans continue to celebrate the State’s Centennial, UWA members are invited to join together on Sunday, November 11, 2007 from 3:00-5:00 p.m. for A Wine & Cheese Affair with three outstanding O.U. faculty emeriti who will be speaking about the birth of our state and our university.

- Ken Johnson, geologist emeritus of the Oklahoma Geological Survey, discussing the geological formation and setting of Oklahoma
- Robert Goins, professor emeritus of architecture and regional & city planning, speaking about the boundaries of the state and how they were determined.
- David Levy, distinguished professor emeritus and author of “The University of Oklahoma – A History”, addressing what statehood and politics meant to the university

This is truly a unique opportunity. Bring your spouse or friend.

The event will be held in the Stephenson Research & Technology Center, located at 101 David L. Boren Blvd. (directly north of the Weather Center at Jenkins & HWY-9). Parking is available next to the building – enter at the north end of the building for the event. Hope to see you there!

Deep Sympathy

“My heartfelt thanks for your cards, prayers and expressions of sympathy during the losses of both my brother and then my sister in October. Your friendship has warmed my heart and will help with its healing.”

Sincerest thanks, Tish Marek

Oct. 16, Tish emailed [edited for space]:
“It’s been a difficult few weeks for us. The morning after [my brother] Harvey’s [Burgh, of Harvey and the Wallbangers rock and roll band] funeral, my sister (61 years old) went into cardio and renal failure and died that Saturday, the 6th. We’ve been watching over my mom. It was just so hard to have to tell her a second time in a week.”
