This is a CLEET Sponsored training. This one day workshop is designed as a joint training for both Law Enforcement and Child Welfare participants.

## TRAINING SITE:

Sapulpa Police Department  
Training Room  
20 N. Walnut  
Sapulpa, OK 74066

## COURSE DESCRIPTION:

This training focuses on bringing together officers and child welfare specialists and examining how to put aside past differences, understand the goals of the participant's counterpart, understand how statutes, agency rules, deadlines and other outside forces could cause potential conflict between counterparts and resolve such conflicts for the good of the child who is always the focus of any investigation. The course emphasizes an understanding that joint investigations, in their best form, are a true partnership between child welfare and law enforcement. Partnership team building and maintenance are a vital component of the training.

## TRAINING GROUP:

Participation is open to all Child Welfare Specialists.

## WORKSHOP HOURS:

Registration at 8:00 a.m.  
**Day 1:** 8:30 a.m. to 5:00 p.m.

*Participants are reminded that anyone missing more than 30 minutes of a workshop may not receive full credit for the workshop.*
