Course Description: This workshop will address the effects of domestic violence on children. Research shows that children suffer lasting effects in many areas of their lives from domestic violence. Participants will learn how to increase the safety for children in violent homes. This training also will provide participants tools to ease children's anxiety in homes where violence occurs. Various system responses will be discussed and alternatives provided. The CW worker will also learn how to address battering as a parenting style and require accountability.

Cell Phones/ Electronics: Due to the nature of employment with Child Welfare it is understandable for participants to have cell phones in class. However, out of respect to the trainers please keep phones on silent and excuse your self to the hall if you must take a call. Use of laptops, IPods, IPads, etc are not permitted during training sessions.
