CW 2011 - Level II

Basic Attachment Issues

Presented By:
- Barbara W. Wright, LPC, CCPS

A Licensed Professional Counselor, Certified Child and Parenting Specialist and authority in the field of child development. She has a wide range of experience with both in-patient and out-patient settings. Her services include working with mild behavioral disturbances to severe adjustment problems such as death or divorce, autistic spectrum disorders, trauma, diabetes, grief, anxiety, mood disorders, learning problems and attention span issues. She works with preschool children, teenagers and their parents.

Course Description: This one-day workshop will discuss the process of attachment: factors contributing to attachment, factors disruptive to attachment and the consequences of breakdown in attachment. Workers will also learn about the quality of parent-infant attachment such as the strange situation paradigm, classification of attachment and parental behavior and child patterns of attachment. Other information will include attachment theory and maltreatment, types of disorder attachment and relational care giving.

Training Group: Participation is limited to 40 Child Welfare Specialists who have pre-registered on KIDS and completed CORE and Level I classes.

Credit: Participants are reminded that anyone missing more than 30 minutes of a workshop may not receive full credit or may be sent home.

Cancellation: If you find you cannot attend after you have registered please have your Supervisor email childwelfaretraining@okdhs.org
