Course Description: This one day training focuses on injuries associated with child abuse, particularly fractures, head trauma, and other injuries that may be misdiagnosed as accidental. Other topics include failure to thrive and medical neglect.

Training Group: Participation is limited to 40 Child Welfare Specialists who have pre-registered on KIDS and completed CORE and Level I classes.

Credit: Participants are reminded that anyone missing more than 30 minutes of a workshop may not receive full credit or may be sent home.

Cancellation: If you find you cannot attend after you have registered please have your Supervisor email childwelfaretraining@okdhs.org

OKDHS Dress Code: Business casual / work attire.

Presented By:
- Ryan Brown, MD, FAAP

Ryan Brown is a Clinical Associate Professor at the University of Oklahoma College of Medicine. He is also a full time Pediatrician in the Emergency Department at the Children's Hospital at OU Medical Center. Dr. Brown has been an active part of the Child Protection Committee at Children's Hospital and serves on the Child Death Review Board as well as the Board of Child Abuse Examination for the State of Oklahoma. He has lectured at the local, state, and national level on child abuse and neglect.
