Course Description:
This two-day module helps workers identify the effects of abuse and neglect on normal development of children. The workshop stresses the importance of proper assessment of current developmental abilities, developmental delays, disabilities and emotional problems in order to plan appropriate services for children. Current research on the effects of violence and trauma on the developing brain are outlined.

Training Group: Participation is limited to 40 Child Welfare Specialists who have pre-registered on KIDS and completed CORE and Level I classes.

Credit: Participants are reminded that anyone missing more than 30 minutes of a workshop may not receive full credit or may be sent home.

Cancellation: If you find you cannot attend after you have registered please have your Supervisor email childwelfaretraining@okdhs.org
