Course Description: This two day workshop will provide an advanced understanding of working with substance abusing individuals and families and developing ISP's. Participants will learn how to recognize warning signs, better understand the dynamics of the substance abusing individual and family, improve their communication skills and utilization of assessment tools. They will also learn about co-occurring disorders, treatment modalities, appropriate goal setting and how to avoid burnout when working with abusers.

Training Group: Participation is limited to 40 Child Welfare Specialists who have pre-registered on KIDS and completed CORE and Level I classes.

Credit: Participants are reminded that anyone missing more than 30 minutes of a workshop may not receive full credit or may be sent home.

Cancellation: If you find you cannot attend after you have registered please have your Supervisor email childwelfaretraining@okdhs.org
