Course Description: This training will discuss in-depth the Assessment of Child Safety including when it should be completed and the six key questions in gathering information. Participants will learn the difference between a safety plan and a service plan, when an immediate protective action plan is needed versus a safety plan, and where to document it all on the Assessment of Child Safety form. Other information will include when an Assessment of Child Safety should be completed and common mistakes made on safety plans.

Training Group: Participation is limited to 40 participants who have been referred by their Supervisors and have completed CORE.

Credit: Participants are reminded that anyone missing more than 30 minutes of a workshop may not receive full credit or may be sent home.

Cancellation: If you find you cannot attend after you have registered please have your Supervisor email childwelfare-training@okdhs.org
