Course Description: Placement of children in the Child Welfare system follows a continuum of care from the least restrictive to the most restrictive. Any placement for custody children should be planned and goal directed. Out of Home Care training will provide an in-depth overview of placements for children in the child welfare system. Characteristics of each type of placement will be covered as well as the referral process, services provided in each, roles and responsibilities of supervisors and workers toward placement providers and children in care and most importantly, guidelines for decision-making regarding placements.

Training Group: This workshop is mandatory for new workers who have completed CORE Training. Workers are enrolled in this training by the CW training section. If there are available slots, the workshop will be unrestricted for additional enrollment two weeks prior to the workshop.

Credit: Participants are reminded that anyone missing more than 30 minutes of a workshop may not receive full credit or may be sent home.

Cancellation: If you find you cannot attend after you have registered please have your Supervisor email childwelfare-training@okdhs.org

OKDHS Dress Code: Business casual / work attire.
