Course Description: This workshop is designed specifically for Child Welfare Workers and Supervisors who work with fatality cases. Participants will review policy and procedures in dealing with child fatality cases. A representative from the State Medical Examiners office will present information on working with the ME’s office. CW workers who work with child fatality cases face a great deal of stress and related feelings due to the trauma of the case. Participants will be given information on methods of handling the pressure of child fatality cases.

Training Group: Participation is limited to 40 participants who have been referred by their Supervisors and have completed CORE.

Credit: Participants are reminded that anyone missing more than 30 minutes of a workshop may not receive full credit or may be sent home.

Cancellation: If you find you cannot attend after you have registered please have your Supervisor email childwelfare-training@okdhs.org
