

details

1. The name of only one person may appear on each stone. The name may include first, middle, maiden, last and additional designation, such as “Jr.” or “IV,” if space permits. You may use initials for first or middle names. Each space, period, apostrophe, hyphen or other punctuation mark counts as one character. Names of 15 or fewer characters may be placed on a single line.
2. Some requests cannot be honored, such as (a) multiple or couple names, such as “Joe and Kim Smith”; (b) corporate or commercial names; and (c) commemorative phrases such as “In memory of...,” “In honor of,” or “Congratulations.”
3. If desired, the third line may include the year or years in which an OU degree was awarded. If one degree was earned, the line might say “1960.” Space is available for up to two graduation years, plus the degree type for an advanced degree only. A graduate who earned a bachelor’s degree and an advanced degree from OU might enter “1930, Law 1966” or “1991, Ph.D. 1995.”
4. If no OU degree has been awarded, the third line will remain blank.
5. We anticipate that, with normal wear, every paver will last for decades. If a paver should suffer extensive damage by weather, wear, accident or vandalism within 10 years of its original placement, the university will replace and re-engage the stone as it originally appeared. The replacement stone will be guaranteed only for the original 10 years.
