

OU PARENTS' ASSOCIATION GENERAL SCHOLARSHIP APPLICATION

Sophomores, Juniors, Seniors - Fall 2009

The OU Parents' Association will be awarding 4 undergraduate scholarships this fall (the freshman general scholarships will be awarded in spring 2010) to full-time students (two sophomore, one junior, one senior) whose parent(s) or guardian(s) are members of the OU Parents' Association. Each award is \$1,000 (\$500 per semester). Applicants will be evaluated on scholastic achievement, extracurricular activities, work experience and an essay.

Who can apply? To be considered for a scholarship, applicants must have: completed the appropriate number of hours for the specified classification and be currently enrolled full-time (minimum of 12 credit hours).

Application Process

Applicants must submit the required **Campus Recognition Form [CRF]** (2 pages – as outlined in the attached sample and guidelines) and an **unofficial transcript copy** (this may exceed 1 page). It is recommended that students utilize the *OPTIMAL RESUME* program available on the Career Services Web site at www.hiresooner.com. The Optimal Resume program will allow you to enter your application information and keep it on file for future access for campus recognition forms or to alter the information for professional resumes.

However, if you choose to create your own application document via a wordprocessing program instead of the Optimal Resume program, **you must follow the exact format** as provided in the attached sample.

Detailed Instructions for utilizing the Optimal Resume program for completing the CRF portion of the application may be found on the third page of this application packet.

IMPORTANT NOTES:

When using Optimal Resume to complete this application, you should input your information using the “Campus Recognition Form” format, NOT one of the professional resume formats available at the site. However, one of the professional resume formats should be used when applying for employment or special academic programs on campus.

Due to space and format constraints with the required format, please take time to evaluate your credentials and select those activities, honors, etc. that you feel are your most outstanding achievements. Also specify by each activity or award any college/university other than the University of Oklahoma.

Applications should be printed in black ink only on plain white paper and should be three (3) pages plus an unofficial copy of your transcript.

PAGE 1: This sheet should contain only the required personal information at the top, education and grade information, family contact information, hometown newspaper, employment/internship experience, and honor statement.

PAGE 2: This sheet should include **ONLY** your campus activities listed by each year, community involvement action statements listed by each year, and your honors, awards, and scholarships earned.
Note: If you create Page 1 & 2 in the Optimal Resume program, download and save your Word compatible CRF. You will need to insert a page break prior to the “Activities” section to create page 2 and modify the font if so desired.

PAGE 3: Essay response, single-spaced.

ADDITIONAL: An unofficial copy of your transcript (may exceed one page).

Collate, staple, and return two copies of your completed application to Student Life, OMU 370.

Deadline for submitting applications is 4:00 p.m. Tuesday, October 13, 2009.
Applications will not be accepted after the deadline.
