      g. Special Education
      h. French, German, Latin, Spanish
  2. Policy statements re: late certification requests
     For persons seeking state teacher certification who (a) graduated more than 5 years ago, but (b) did not complete their internship (student teaching), recommendation for certification will require:
        • meeting all State Regents mandated requirements currently associated with the certification program (e.g., the language requirement, the “4X12”)
        • completing the internship
        • meeting other requirements for coursework or field experiences as determined by certification area faculty on a case by case basis

     For persons seeking state certification who (a) graduated more than 5 years ago, (b) completed the internship (student teaching), but (c) did complete the process for becoming State certified, recommendation for certification will require:
        • meeting requirements for coursework or field experiences as determined by certification area faculty on a case by case basis.
