

**NOMINATION FORM
PROVOST'S OUTSTANDING ACADEMIC ADVISING AWARD**

The Provost's Outstanding Academic Advising Award is designed to recognize outstanding contributions made by its academic advisers, both staff and faculty, who have been determined to have demonstrated the qualities associated with outstanding academic advising of students.

Any current member of the University of Oklahoma faculty or staff may nominate one or more academic advisers for the Provost's Outstanding Academic Advising Award. Currently enrolled students also may nominate candidates. Each nomination must be accompanied by a minimum of three and a maximum of ten letters of support which specifically indicate how the nominee meets the criteria for selection. One of the letters must be from the department chair or an individual who serves in a supervisory capacity to the academic adviser. Documents made up of a number of brief statements of support or acknowledgment from former or current students will be accepted in addition to the letters of support

To nominate an individual, fill out all three parts of this form. Attach the other letters of support and forward the package to the Provost's Office, Evans Hall, Room 104. If you have any questions, please contact Mechelle Gibson at 405-325-3228.
