ADDENDUM # 1 DATED 10/29/09

Question #1: Can this project be executed in any other Country? Or it has to be in US?

Answer #1: We would want to meet with representatives from the vendor to discuss the requirements, but the work could be executed remotely. There may be other OU or state of Oklahoma requirements that limit or prohibit this work from being executed outside the US.

Question #2: If in US, does it have to be executed onsite in the University or it can be done remotely?

Answer #2: We would want to meet with representatives from the vendor to discuss the requirements, but the work could be executed remotely.

Question #3: Is there any Upper limit(specific amount budget) allocated for this project ?

Answer #3: No.

Question #4: In the Contract Terms, it mentioned that the project will not be Implemented until Spring 2011. Now, is this the actual time frame or it may start earlier as well?

Answer #4: Spring 2011 is the planned start time.
