WHAT YOU SHOULD KNOW ABOUT SELLING TO THE UNIVERSITY OF OKLAHOMA
VENDORS ARE A VITAL PART OF OUR GOAL TO PROVIDE OUR CUSTOMER DEPARTMENTS THE BEST VALUE IN THEIR NEEDS FOR GOODS AND SERVICES.

This guide has been prepared to assist you in your contacts with our Purchasing Department and the University of Oklahoma. If you have any questions or suggestions, please contact us. It is in our mutual interest to strive to improve our business relationships.

Basic Guidelines

- Please call ahead for appointments. Avoid “dropping in” on any university contact.
- Make your visit profitable by bringing new ideas, approaches or products.
- Social calls are problematic. Avoid them.
- Do not accept any order over $5,000 from any university employee other than an authorized Purchasing buyer.
- A university employee can’t promise to give you an order. Don’t accept it.
- Quote realistic delivery dates.
- Conduct business openly and frankly. As a state institution all of our transactions are a matter of public record.
- Honor your pricing, delivery and service agreements.
- Gifts and gratuities are problematic. Don’t offer them. Don’t give them.

WHAT WE BUY

The dollar volume of OU purchases is significant. Purchases are made to support academic and research programs as well as support activities, such as Physical Plant/Site Support, Housing, Food Services, etc. Purchases for all three campuses total many millions of dollars yearly. Items include scientific equipment, furniture, chemicals, medical supplies, repair and construction, machinery, and services.

HOW WE BUY

As a public institution, we follow policies established by the OU Board of Regents. Our purchase expenditures are reviewed and audited, and therefore must be conducted efficiently and in a businesslike manner. A brief outline of our guidelines follow.

Purchases over $50,000

These purchases (unless covered by a contract) are competitively bid by formal solicitation (e.g., Invitation to Bid, Request for Proposal, Request for Quote, etc.). We post solicitations on our website www.ou.edu/purchasing/home/index.htm. Documents can be downloaded and completed. We award based on best value to the University, using factors such as technical experience, history, customer references, bid responsiveness, quality, and life cycle costing.

Purchases between $5,000 and $50,000

These purchases are processed competitively, either by written or telephone quotation. We require prompt response, and in most cases we issue a written purchase order.

Purchases under $5,000

Individual departments have purchase authority up to $5,000. Vendors should request a University account number, the name and address of the department, and the complete name of the individual placing the order. This information should appear plainly on packages, shipments and invoices. We watch for order-splitting that is intended to skirt this dollar limit; don’t do it.

Many university departments have a University Pcard (an official credit card) that can be used to settle these small-dollar purchases. This is a convenience for the department as well as for you. However, the Pcard is prohibited for settling certain types of small dollar purchases. Ask us if you have questions.

Orders Under Contract

If an item is covered by an existing contract from the university, State of Oklahoma, Educational and Institutional Cooperative (E&I) or other approved contract source, we will normally process the purchase against the contract. Use of existing contracts allows quicker processing, and typically does not require additional bids or quotes.

Invoice Processing

Unless paid by the OU Pcard, invoices are processed by Financial Support Services (Norman campus departments) or Accounts Payable (Oklahoma City/Tulsa campus departments). Vendors should be aware that State of Oklahoma statutes provide payment terms of Net 45 days, and past due fees cannot be charged until 45 days following receipt of a proper invoice, meaning all items have been furnished as specified, at the price quoted. Interest is calculated from the 30th day if not paid within 45 days of invoice receipt. We require an original invoice. Your invoice must reference a purchase order number or the campus department and name of the individual who placed the order.
