Agenda Items for ROGERS STATE UNIVERSITY
AGENDA ITEM 1

ISSUE: SUBSTANTIVE PROGRAM CHANGES – RSU

ACTION PROPOSED:

President Rice recommends the Board of Regents approve the proposed change in the Rogers State University academic program.

BACKGROUND AND/OR RATIONALE:

The Oklahoma State Regents for Higher Education require that all substantive changes in degree programs be presented to the institution’s governing board for approval before being forwarded to the State Regents for consideration. The changes in the academic programs presented below have been approved by the appropriate faculty, academic unit and dean, the Curriculum Committee, the Academic Council, and the Vice President for Academic Affairs. The change is being submitted to the Board of Regents for approval prior to submission to the State Regents.

1. PROGRAM: Department of Health Sciences
   Associate in Applied Science in Emergency Medical Services (094E)
   Certificate of Paramedic Studies (129)

NEW PROGRAM:
Embedded Certification – New Program Request Form

Program Pre-Requisites:
   Basic Emergency Medical Technician (EMS 1108 or licensure)
   Computer Proficiency (Successful completion of CS 1113 Microcomputer course
   Applications or institutional computer science exam)

Program Requirements (45 hours)
   EMS 1103 Intro to EMS and Patient Assessment
   EMS 1113 Pharmacology for Pre-Hospital Providers
   EMS 1124 Advanced Skills in Emergency Medical Services
   EMS 1203 Field Operations
   EMS 1213 ECG Interpretation
   EMS 1225 Trauma Assessment and Management
   EMS 2104 Medical Emergencies
   EMS 2115 Special Patient Populations
   EMS 2125 Cardiac/Respiratory Emergencies
   EMS 2202 OB/GYN Emergencies
   EMS 2213 Physician Internship
   EMS 2245 EMS Internship

COMMENTS: Recent interviews with regional EMS managers reveal that while they value the AAS degree for their paramedics, they need more paramedics trained and available to fill vacancies in a shorter time frame than can be accomplished in the traditional degree program. The program is agency-specific
and tailored to engage in interagency agreements with specific EMS service entities and/or municipalities, and allows them to avoid sending their personnel out of state to obtain training.
AGENDA ITEM 2

ISSUE: MUTUAL AID AGREEMENT – RSU

ACTION PROPOSED:

President Rice recommends the Board of Regents approve the Mutual Aid Agreement between Rogers County Law Enforcement and Rogers State University and authorize the President or his designee, Gary Boergermann, RSU Chief of Police, to execute the agreement.

BACKGROUND AND/OR RATIONALE:

The Mutual Aid Agreement is required by State Statutes to be approved by the Board in order to execute an agreement between Rogers County Law Enforcement and Rogers State University. The agreement will authorize mutual assistance between Rogers County Law Enforcement and Rogers State University Police Department as outlined in the agreement. The University believes the agreement is in the best interest of all parties and provides the means to ensure maximum safety and protection of students, faculty, staff, visitors, and property on the campus.

Legal counsel has reviewed and approved the Agreement.
Rogers County Law Enforcement
Mutual Aid Agreement

The purpose of the Law Enforcement Emergency Response Mutual Aid Agreement is to permit signatory agencies to cooperate and share resources during disasters, emergencies and law enforcement operations.

When faced with a disaster or emergency, law enforcement agencies have a responsibility to maintain services. This can best be accomplished by preparation, coordination and cooperation with other law enforcement agencies.

Not every law enforcement agency will have on staff members with specialized skills or certifications as may be needed or required from time to time. Examples include certified lab technicians, drug recognition experts, intoxilyzer operators, special investigative expertise, etc. Therefore, this agreement allows for a sharing of such resources of expertise across jurisdictions as they may exist.

Additionally, certain law enforcement operations, such as the execution of a search warrant, may be manpower intensive and overwhelm available agency resources. This agreement allows for the sharing of manpower resources for such operations.

AGREEMENT

This agreement is entered into under the Interlocal Cooperation Act (74 O.S. § 1008 et. seq.) between the various law enforcement agencies within Rogers County, Oklahoma, as approved by the various governing bodies of each jurisdiction, to provide mutual aid as provided herein.

WHEREAS, the law enforcement agencies have the responsibility of protecting lives, property and keeping the peace; and

WHEREAS, the parties hereto have determined that in order to provide the maximum possible protection for the lives and property of the citizens within their respective boundaries, it is necessary to cooperate to fully utilize available resources; and

WHEREAS, the parties desire to render to each other the maximum cooperation possible in the sharing of staffing, equipment, technical expertise and other resources in order to deal with a major emergency/disasters, civil disorder or other law enforcement operations; and

WHEREAS, it is necessary and desirable that a cooperative agreement be executed for the purposes of effecting mutual aid on a countywide basis;

NOW THEREFORE, in order to carry out the purposes and functions described above, and in consideration of the benefits to be received by each of the parties, the parties agree as follows:

Section I. DEFINITIONS

The following terms shall have the following meanings, unless the context indicates otherwise:
A. Agreement: This Interlocal Cooperative Agreement entered into for the purpose of law enforcement mutual aid.

B. Assistance: Employees, services, equipment, materials, or supplies offered by the Responding Agency and accepted by the Requesting Agency.

C. Disaster: An event, expected or unexpected, in which a community's available, pertinent resources are expended; or the need for resources exceeds availability; and in which a community undergoes severe danger; and the fulfillment of some or all of the community's essential functions are prevented.

D. Emergency: A sudden and unforeseeable occurrence or condition either as to its onset or its extent of such severity or magnitude that immediate response or action is necessary to assist law enforcement agencies having jurisdiction at the scene of the emergency to carry out their functions.

E. Party Agency: A law enforcement agency within Rogers County who is a signatory agency to this Agreement, as approved by the agency's governing board.

F. Responding Agency: A Party Agency delivering Assistance to another Party Agency pursuant to the terms and conditions of this Mutual Aid Agreement.

G. Requesting Agency: A Party Agency who has made a request for Assistance pursuant to the terms of this Mutual Aid Agreement.

Section II. PARTICIPATION

Participation in this Mutual Aid Agreement is purely voluntary and at the sole discretion of the potential Responding Agency. The potential Responding Agency shall have the primary interest of protecting its own constituency. No Party Agency shall be liable to another Party Agency for, or be considered to be in breach of or default under this Mutual Aid Agreement on account of any delay in or failure to perform any obligation under this Mutual Aid Agreement.

Section III. GENERAL NATURE OF ASSISTANCE

Assistance will be in the form of resources, such as equipment, supplies, and personnel or the direct provision of services. The execution of the Mutual Aid Agreement shall not create any duty to respond on the part of any Party Agency. A Party Agency shall not be held liable for failing to provide Assistance. A Party Agency has the absolute discretion to decline to provide any requested Assistance and to withdraw resources it has provided at any time without incurring any liability.

Section IV. REQUESTS FOR ASSISTANCE

Requests for Assistance shall be directed by the Chief of Police (or designee) of the Requesting Agency to the Chief of Police (or designee) or the potential Responding Agency. The extent to which the Responding Agency provides Assistance shall be at the Responding Agency's sole discretion.
In the event of a major emergency/disaster or other law enforcement operation, the first law enforcement resources to be used shall be those of the Requesting agency. In the event that such resources are inadequate, or there is a need for a specialized unit, a request for mutual aid under this Agreement will be made to a party agency.

Such requests for assistance shall, if possible, specify the nature of assistance required, the number of law enforcement officers and type of equipment required and shall further specify where and to whom such officers are to report and where and to whom the equipment should be delivered.

SECTION V. PERFORMANCE OF POLICE FUNCTIONS IN OTHER JURISDICTIONS

Under authority of 11 O.S. 34-103.D, the governing body of the party agencies hereby resolve that the Chief of Police or authorized designee may authorize Assistance to a Requesting Agency by allowing commissioned Police Officers of the Responding Agency to serve as Police Officers of the Requesting Agency for a period not to exceed 48 hours. Assistance to the Requesting Agency may be extended beyond 48 hours upon resolution and approval of the governing body of the Responding Agency. Nothing in this agreement prohibits the governing body of the Responding Agency from negotiating fiscal arrangements with the governing body of the Requesting Agency for reimbursement of the costs services provided to the Requesting Agency.

Under authority of 11 O.S. 34-103.B, the governing body of the party agencies hereby resolve that the Chief of Police or authorized designee may authorize commissioned Police Officers of the Responding Agency to serve as Deputy Sheriffs upon request of the Sheriff of Rogers County (or designee) for a period not to exceed 48 hours. Assistance to the Requesting Agency (Rogers County Sheriff's Office) may be extended beyond 48 hours upon resolution and approval of the governing body of the Responding Agency. Nothing in this agreement prohibits the governing body of the Responding Agency from negotiating fiscal arrangements with the governing body of the Requesting Agency for reimbursement of the costs services provided to the Requesting Agency.

While Responding Agency Police Officers are serving as Police Officers or Deputy Sheriffs of the Requesting Agency, they shall be deemed as acting within the scope of employment of the Requesting Agency, except that salaries, insurance and other benefits shall be provided in their regular manner by the Responding Agency in which the police officers are regularly employed.

SECTION VI. GENERAL JURISDICTION

Under authority of 21 O.S. 99a, any municipal police officer belonging to a Party Agency, acting pursuant to policies and procedures adopted by the governing body of the officer’s employing agency, may enforce the criminal laws of the State of Oklahoma anywhere in the territorial bounds of Rogers County, Oklahoma, under the following circumstances:

A. In response to an emergency involving an immediate threat to human life or property;

B. Upon the prior consent of the Sheriff or the Chief of Police (or their designee) in whose investigatory or territorial jurisdiction the enforcement action is to take place;

C. In response to the request for assistance by a peace officer with investigatory or territorial jurisdiction;
D. In response to a request for assistance pursuant to this agreement; or

E. While the Officer is transporting a prisoner.

Note: Nothing herein limits the authority of any officer as may be provided for in 21 O.S. 99a or by other State or Federal law.

Section VII. OFFICER IN NEED OF ASSISTANCE

It is the nature of the law enforcement functions that officers may find themselves suddenly and unexpectedly involved in a situation that poses a potential threat of serious bodily harm or death to the officer. In such situations, there may be little time or opportunity to formally request assistance. Therefore, it is hereby resolved by the governing bodies of the Party Agencies that any officer or officers of the Party Agencies may respond to and take action to assist any other officer of a Party Agency when known circumstances indicate such officer is in need of immediate assistance to prevent serious bodily harm or death.

Whenever possible, the officer(s) responding shall contact the agency to whom the officer in need of assistance is employed by, both to advise of the situation and obtain response instructions. However, such assistance need not be withheld in the event such notification is not possible, or is not feasible under the circumstances.

Section VIII. COMMAND

When in response to a disaster or law enforcement operation, the Requesting Agency will have the responsibility of establishing an Incident Command. Incident Command, however, may be relinquished by the Requesting Agency to the senior officer of any agency rendering Assistance under the terms of this agreement at the Requesting Agency's discretion.

The underlying principle of mutual aid is that Responding Agencies are serving as a resource to the Requesting Agency. Regardless of which agency in serving as Incident Command, the personnel and equipment of each Responding Agency shall be under the immediate supervision of the officer in charge assigned by the Responding Agency.

The personnel and equipment of the Responding Agency shall be released from service and returned to the Responding Agency by Incident Command as soon as conditions warrant.

Section IX. INDEMNIFICATION AND LIMITATION OF LIABILITY

Each party to this agreement agrees to be responsible for and assume liability for its own wrongful and negligent acts or omissions, including the negligence attributed to that party's command decisions, or those of its officers, agents, or employees to the fullest extent allowed by law, and agrees to save and hold every other party to this agreement and said party's officers, agents, and employees harmless from such liability and to waive any liability legal claims that parties to this agreement might have against each other or any one of them for liability arising out of the performance or non-performance of any act under this agreement. However, in any lawsuit brought against any other parties to this agreement or as against their officers, agents, or employees by persons or entities not signatory to this agreement, then none of them shall be limited in their legal rights to request apportionment of any judgment rendered.
against them, and none of them shall be limited in their rights as provided under the laws of the State of Oklahoma to seek contribution for any judgment they are required to pay in excess of their proportionate share of any liability judgment or award.

Each party agrees to be adequately self-insured or maintain adequate insurance coverage for its own equipment and personnel.

Except as limited by state of federal law, every party to the agreement shall have equal access to the records created by any of the agencies involved in a request for assistance so that they can have the appropriate information to defend themselves in lawsuits or against claims.

Each party to the agreement should be obligated to notify every other party who responds to a request for assistance should they receive a claim or lawsuit arising out of emergency response operations.

Section X. SUPPLIES

The Requesting Agency will be responsible for supplying and/or replacing supplies needed and/or used by officers from assisting jurisdictions. These supplies shall include food, gas for police vehicles, or any other supplies that are reasonably needed to sustain the officers in enforcing the law and maintaining order.

The Responding Agency will be responsible for any repairs and/or damages done to their own vehicles or equipment as a result of participation in mutual aid.

Section XI. NON-SUPERSEDING

This county wide agreement will not supersede or replace any existing or future interlocal cooperative agreement that exists or may come to exist individually between one or more of the Party Agencies.

Section XII. Term, Modification, Termination and Review

A. Term. This agreement shall be in effect until it is replaced or discontinued and shall commence upon signature of the governing body and the Chief of Police.

B. Modification: No changes or modification to this agreement shall be valid or binding upon parties to this agreement unless such changes or modification are in writing and executed by the parties.

C. Termination. This agreement may be terminated as to any single party, when that party gives notice to all the other participating parties in writing at least thirty (30) days prior to its intended withdrawal from this agreement.

D. Review. This agreement shall be reviewed jointly by the Sheriff and the Police Chiefs of all Party Agencies every five (5) years.

AGENDA ITEM 3

ISSUE: FISCAL YEAR 2015-2016 EXTERNAL AUDITS – RSU

ACTION PROPOSED:

President Rice recommends the Board of Regents:

I. Accept the fiscal year 2015-2016 external auditor’s reports and audited financial statements for Rogers State University; and

II. Accept the fiscal year 2015-2016 external auditor’s reports on compliance and schedules of expenditures of federally funded awards for Rogers State University.

BACKGROUND AND/OR RATIONALE:

For fiscal year 2015-2016, these audits were conducted in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the Office of Management and Budget’s Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations.
AGENDA ITEM 4

ISSUE: ACQUISITION OF PROPERTY – RSU

ACTION PROPOSED:

President Rice recommends the Board of Regents accept a parcel of land and existing structures on property located within the City of Claremore and authorize the President or his designee to execute the necessary documents. An executive session pursuant to Section 307B.3 of the Open Meeting Act may be proposed.

BACKGROUND AND/OR RATIONALE:

According to the Board of Regents’ Policy Section 4.13, the Board of Regents will approve the acquisition of real property when such acquisition will satisfy the mission of the University. The University administration may acquire property when it is needed for future expansion of the University, needed for specific purposes, or needed for a new facility. The real property meets the criteria of Board Policy and the owner of the property wishes to donate the property to Rogers State University.
AGENDA ITEM 5

ISSUE: ADMINISTRATIVE PERSONNEL ACTION(S) – RSU

ACTION PROPOSED:

President Rice recommends approval of the staff personnel actions listed below. An executive session pursuant to Section 307B.1 of the Open Meeting Act may be proposed.

CHANGE(S):

Hamett, Alisa, Director, Human Resources, given the additional title of HIPAA Privacy Officer, with no salary change, effective October 25, 2016.

Reeves, Brian, Director of Academic Computing Services, given the additional title of HIPAA Security officer, with no salary change, effective October 25, 2016.
Agenda Items for INFORMATION ONLY RSU
Agenda items number 6 through 8 have been identified, by the administration, as “For Information Only.” Although no action is required, does anyone have any questions or comments about these items or would anyone like to discuss or consider these items? If not, that completes the Rogers State portion of the agenda.
AGENDA ITEM 6

ISSUE: ACADEMIC CALENDAR 2017-2018 – RSU

ACTION PROPOSED:

This item is reported for information only. No action is required.

BACKGROUND AND/OR RATIONALE:

The Oklahoma State Regents for Higher Education authorize the President to approve the institution's academic calendar each year. The calendar is then submitted to the State Regents by December 1 prior to the summer semester to which the proposed calendar applies. The attached academic calendar is for information only and will be submitted to the State Regents.

AGENDA ITEM 7

ISSUE: CURRICULUM CHANGES – RSU

ACTION PROPOSED:

This is reported for information only. No action is required.

BACKGROUND AND/OR RATIONALE:

The Oklahoma State Regents for Higher Education confer upon each institution the authority to delete, modify and add courses, but required that the changes be communicated to them for information only. The course deletions, additions and modifications itemized below have been approved by the President and Vice President for Academic Affairs, upon recommendation of the appropriate department and faculty, the Curriculum Committee, and the Academic Council.

PROGRAM MODIFICATION(S)

Department of Health Sciences
Associate in Applied science in Emergency Medical Services (094E)
Add Program: Certificate of Paramedic Studies

Program Pre-Requisites:
EMS 1103 Intro to EMS and Patient Assessment
EMS 1113 Pharmacology for Pre-Hospital Providers
EMS 1124 Advanced Skills in Emergency Medical Services
EMS 1203 Field Operations
EMS 1213 ECG Interpretation
EMS 1225 Trauma Assessment and Management
EMS 2104 Medical Emergencies
EMS 2115 Special Patient Populations
EMS 2125 Cardiac/Respiratory Emergencies
EMS 2202 OB/GYN Emergencies
EMS 2213 Physician Internship
EMS 2245 EMS Internship

COMMENTS: Recent interviews with regional EMS managers reveal that while they value the AAS degree for their paramedics, they need more paramedics trained and available to fill vacancies in a shorter time frame than can be accomplished in the traditional degree program. The program is agency-specific and tailored to engage in interagency agreements with specific EMS service entities and/or municipalities, and allows them to avoid sending their personnel out of state to obtain training.
AGENDA ITEM 8

ISSUE: HEALTH RELATED EMPLOYMENT BENEFITS – RSU

ACTION PROPOSED:

This report is for information only. No action is required.

BACKGROUND AND/OR RATIONALE:

In December 2014, the Board of Regents authorized Rogers State University to secure and execute the necessary documents for health, dental and vision insurance, COBRA administration, retiree premium billing, collection and remittance contracts and other services for current and retired employees.

The University selected the Employee Group Insurance Division (EGID) of the state of Oklahoma to provide health care, dental and vision insurance. The university has designated HealthChoice High plan as the insurance plan as provided by the institution. Employees continue to have the option to select one of six available health plans or to opt out of the university provided insurance with proof of health insurance and receive the employee high premium as additional compensation or to apply part of the premium to other insurance such as dental and/or vision and receive the remainder of the additional compensation. Eleven dental and four vision plans are available for those who wish to purchase these coverages.

COBRA administration, retiree premium billing, collection and remittance contracts will handled internally by university staff and through EGID and the Oklahoma Teacher’s Retirement System.

In calendar year 2017, Rogers State University’s cost will be $571.04, an increase of 8.38%. The estimated cost of this increase is approximately $166,000 for twelve months.

Rogers State University incurs no cost for health insurance for an employee’s spouse or dependents or for dental and vision insurance as these are optional plans paid by the employee.

Agenda Items for CAMERON UNIVERSITY
AGENDA ITEM 1

ISSUE: ESTABLISHMENT OF HOLMES, MORRIS, AND NEWELL ENDOWED LECTURESHIP – CU

ACTION PROPOSED:

President McArthur recommends the Board of Regents:

I. Approve the establishment of the Holmes, Morris and Newell Endowed Lectureship in Classic Films; and

II. Approve the application for matching funds from the Oklahoma State Regents for Higher Education.

BACKGROUND AND/OR RATIONALE:

This endowed lectureship is established on behalf of Dr. John Morris, professor of English and Foreign Languages at Cameron University.

Dr. John Morris, Professor Emeritus Sandra Newell, and the late Dr. Leigh Holmes have worked to advance appreciation of classic films by presenting classic English-language and foreign-language films to Cameron students, faculty and the public and to increase awareness of film as an art form.

The Holmes, Morris, and Newell Endowed Lectureship in Classic Films will be established with $26,490 in order to carry out the principle of the support program in Classic Films.

In recognition of these gifts, President McArthur recommends the establishment of the Lectureship and requests approval to seek matching funds from the Oklahoma State Regents for Higher Education.
AGENDA ITEM 2

ISSUE:  ESTABLISHMENT OF SOUTHWESTERN MEDICAL CENTER ENDOWED LECTURESHIP – CU

ACTION PROPOSED:

President McArthur recommends the Board of Regents:

I.  Approve the establishment of the Southwestern Medical Center Endowed Lectureship; and

II. Approve the application for matching funds from the Oklahoma State Regents for Higher Education.

BACKGROUND AND/OR RATIONALE:

This endowed lectureship is established to advance the quality of education in the study of sports and exercise science at Cameron University on behalf of Southwestern Medical Center of Lawton, Oklahoma.

Established in 1907, Southwestern Medical Center is the oldest civilian hospital in Lawton. Southwestern Medical Center remains dedicated to Lawton and its commitment to excellence within the community and also Cameron University.

The Southwestern Medical Center Endowed Lectureship will be established with $29,615 to carry out the principle of the support program in Sports and Exercise Science.

In recognition of these gifts, President McArthur recommends the establishment of the Lectureship and requests approval to seek matching funds from the Oklahoma State Regents for Higher Education.
AGENDA ITEM 3

ISSUE: FISCAL YEAR 2015-2016 EXTERNAL AUDITS – CU

ACTION PROPOSED:

President McArthur recommends the Board of Regents:

I. Accept the fiscal year 2015-2016 external auditor’s reports and audited financial statements for Cameron University; and

II. Accept the fiscal year 2015-2016 external auditor’s reports on compliance and schedules of expenditures of federally funded awards for Cameron University.

BACKGROUND AND/OR RATIONALE:

For fiscal year 2015-2016, these audits were conducted in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the Office of Management and Budget’s Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations.
AGENDA ITEM 4

ISSUE: ACADEMIC AND ADMINISTRATIVE PERSONNEL ACTIONS – CU

ACTION PROPOSED:

President McArthur recommends the Board of Regents approve the personnel actions listed below. An executive session pursuant to Section 307B.1. of the Open Meeting Act may be proposed.

CHANGE(S):

McClure, Kelly, Director, Information Technology Services, title changed to Director, Information Technology Services and Health Insurance Portability and Accountability Act (HIPAA) Security Officer, effective October 24, 2016.

Shaw, Gordon, Director, Human Resources, title changed to Director, Human Resources and Health Insurance Portability and Accountability Act (HIPAA) Privacy Officer, effective October 24, 2016.

AGENDA ITEM 6

ISSUE: HEALTH RELATED EMPLOYMENT BENEFITS – CU

ACTION PROPOSED:

This report is for information only. No action is required.

BACKGROUND AND/OR RATIONALE:

In March 2014, the Board of Regents approved Cameron University to secure health care, dental, and vision insurance, COBRA administration, retiree premium billing, collection and remittance contracts and other services through University of Oklahoma contracts. The University of Oklahoma has negotiated rates for calendar year 2017 and is presenting those rates for approval. Cameron University employees and retirees have been included as participants in the University of Oklahoma’s 2017 insurance plans and services.

Cameron University pays the cost of its active employees’ health insurance. For calendar year 2016 the monthly health insurance premium is $493.02 per month. In calendar year 2017, Cameron University’s cost will be $529.26, an increase of 7.34%. The estimated cost of this increase is approximately $165,000 for twelve months.

Cameron University incurs no cost for health insurance for an employee’s spouse or dependents or for dental and vision insurance as these are optional plans paid by the employee. Cameron University also has no financial obligation for Medicare eligible retired employees’ health insurance.

AGENDA ITEM 3

ISSUE: NONSUBSTANTIVE PROGRAM CHANGES – NC

ACTION PROPOSED:

This is reported for information only. No action is required.

BACKGROUND AND/OR RATIONALE:

Administrative/Internal Program Change
Approved by Academic Programs Council, September 2, 2016

Addition of Minor

GAYLORD COLLEGE OF JOURNALISM

Creative Media Production, Minor (TBD)

Addition of Creative Media Production Minor. New Minor objective is to allow majors outside of JMC to pursue CMP courses skill set & knowledge. A total of 20 hours is required, 10 of which must be upper-division.

Reason for request:

The new Minor will allow majors outside of JMC to pursue CMP Courses skill set & knowledge.

Professional Writing, Minor (TBD)

Addition of Professional Writing Minor. New Minor objective is to allow majors outside of JMC to pursue PW course skill set & knowledge. A total of 15 hours is required, all of which are upper-division.

Reason for request:

The new Minor will allow majors outside of JMC to pursue PW course skill set & knowledge.

Change in Accelerated Program Requirements

GALLOGLY COLLEGE OF ENGINEERING / PRICE COLLEGE OF BUSINESS

Industrial & Systems Engineering, Bachelor of Science in Industrial & Systems Engineering / Master of Business Administration (RPC 129/025, MC A530/F140Q340)

Change in accelerated program requirements. Replace SCM 5502, B AD 5112 and MGT 5712 with B AD 5812, B AD 5822 and B AD 5832. Total credit hours for the accelerated program will not change.
Reason for request:

By removing three of the required courses, the MBA core for the full-time program will mimic the MBA core for the Professional MBA program. We are adding three new required experiential courses for full-time MBA program to address the limited opportunities for experiential learning. This change is based on what our peer and aspirational schools have doubled down on these aspects of MBA education. It will also give full-time MBA students the ability to apply concepts learned in class provide value added experiences. In addition, will lead toward emergent thinking about MBA program competitiveness centers on experiential learning. The new courses will allow students to interact closely with business professionals, especially in areas of academic specialization. Over the past five years, the profile of the full-time MBA has become younger. Joint degree programs and overall demographic trends result in younger students with higher academic scores but limited business experience. These program changes will provide opportunities for practical experience and make full-time MBA graduates more competitive in the marketplace. Fewer than half of FT MBAs have any global experience. The addition of the global business experience course will address the current lack of global business experience and knowledge. In a global environment, it is imperative that MBA graduates have an understanding of how businesses operate in other parts of the world.

MEWBOURNE COLLEGE OF EARTH & ENERGY / PRICE COLLEGE OF BUSINESS

Petroleum Engineering, Bachelor of Science in Petroleum Engineering/Master of Business Administration (RPC 182/025, MC A765/F140Q513)

Change in accelerated program requirements. Replace SCM 5502, B AD 5112 and MGT 5712 with B AD 5812, B AD 5822 and B AD 5832. Total credit hours for the accelerated program will not change.

AGENDA ITEM 4

ISSUE: AWARDS, CONTRACTS, AND GRANTS

ACTION PROPOSED:

President Boren recommends that the Board of Regents ratify the awards and/or modifications for July and August 2016 submitted with this Agenda Item.

BACKGROUND AND/OR RATIONALE:

In accord with Regents' policy, a list of awards and/or modifications in excess of $1,000,000 or that establish or make policy for the University, or that otherwise involve a substantial or significant service to be performed by the University are shown on the following pages. Comparative data for fiscal years 2013 through 2017 and current month and year-to-date, are shown on the graphs and tables. Throughout the reports, the data stated for both campuses include the OU-Tulsa Schusterman Campus as well.

The Provisions of Goods and Services policy provides that new contracts and grants in excess of $1,000,000 must be referred to the Board of Regents for ratification. In addition, in the event a contract, grant, document, or arrangement involved would establish or make policy for the University, or would otherwise involve substantial or significant service to be performed by the University, that contract, arrangement, or document shall be referred to the Board of Regents for approval.

AGENDA ITEM 5

ISSUE: POSTHUMOUS DEGREE (TAYLOR) – NC

ACTION PROPOSED:

President Boren recommends the Board of Regents approve the awarding of a posthumous Bachelor of Science in Chemical Engineering degree to Garrison Lee Taylor.

BACKGROUND AND/OR RATIONALE:

Garrison Lee Taylor, a senior major in Chemical Engineering with the Gallogly College of Engineering, passed away in August of 2016. Mr. Taylor had completed 92 hours of coursework and had maintained a major GPA of 3.25 and an overall GPA of 3.36.

The faculty of the Chemical Engineering Department, the Dean of the Gallogly College of Engineering, and the Senior Vice President & Provost support this request to award a Bachelor of Science in Chemical Engineering degree to Garrison Lee Taylor posthumously.

In accordance with Oklahoma State Regents for Higher Education policy, a posthumous degree may be awarded to recognize the meritorious but incomplete work of a student who is deceased, generally during the last semester of work. Upon the approval of the University of Oklahoma Board of Regents, the request to award a posthumous degree to Mr. Lewis must be forwarded to the Oklahoma State Regents for Higher Education for final action.
AGENDA ITEM 6

ISSUE: SUBSTANTIVE PROGRAM CHANGES – NC

ACTION PROPOSED:

President Boren recommends the Board of Regents approve the proposed changes in the Norman Campus academic program:

BACKGROUND AND/OR RATIONALE:

The Oklahoma State Regents for Higher Education require that all substantive changes in degree programs be presented to the institution’s governing board for approval before being forwarded to the State Regents for consideration. The changes in academic programs itemized in the attached list have been approved by the appropriate faculty, academic units and deans, the Academic Programs Council, and the Senior Vice President and Provost. They are being submitted to the Board of Regents for approval prior to submission to the State Regents.

Substantive Program Change
Approved by Academic Programs Council, September 2, 2016

Change in Program Requirements

PRICE COLLEGE OF BUSINESS

Business Administration, Master of Business Administration (RPC 025, MC M365)

Course requirement change, Energy Executive MBA option. Replace EMBA 5072, 5122 and 5172 with EMBA 5222, 5232 and 5242. Total credit hours for the degree will not change.

Reason for request:

This program was launched in January 2014, and over the last couple of years we have solicited and received feedback from students, energy institute board members, and other very senior energy professionals. These revisions reflect the changes and modifications recommended, and better align the courses and overall program with the needs of the energy marketplace.

Business Administration, Master of Business Administration (RPC 025, MC M140Q446)

Course requirement change, Business Administration option MBA standard concentration. Replace SCM 5502, B AD 5112 and MGT 5712 with B AD 5812, B AD 5822 and B AD 5832. Total credit hours for the degree will not change.

Reason for request:

By removing three of the required courses, the MBA core for the full-time program will mimic the MBA core for the Professional MBA program. We are adding three new required experiential courses for full-time MBA program to address the limited opportunities for experiential learning. This change is based on what our peer and aspirational schools have doubled down on these aspects of MBA education. It will also give full-time MBA students the ability to apply concepts learned in class provide value added experiences. In addition, will lead
toward emergent thinking about MBA program competitiveness centers on experiential learning. The new courses will allow students to interact closely with business professionals, especially in areas of academic specialization. Over the past five years, the profile of the full-time MBA has become younger. Joint degree programs and overall demographic trends result in younger students with higher academic scores but limited business experience. These program changes will provide opportunities for practical experience and make full-time MBA graduates more competitive in the marketplace. Fewer than half of FT MBAs have any global experience. The addition of the global business experience course will address the current lack of global business experience and knowledge. In a global environment, it is imperative that MBA graduates have an understanding of how businesses operate in other parts of the world.

Substantive Program Change
Approved by Academic Programs Council, October 14, 2016

Addition of Program

COLLEGE OF LAW

Healthcare Law, Master of Legal Studies (RPC TBD, MC TBD)

Addition of program, Healthcare Law. A total of 32 hours is required for the degree, consisting of 32 hours in the degree program core. The program objectives are to provide graduate level education for professionals who work in the administration of healthcare facilities or systems. Students will receive a grounding in laws and regulations that frame, guide, and direct the provision of healthcare services. The curriculum will require the study of laws regulating the delivery and quality of medical services, access to and public and private means of payment for such services, and transactions and liability within the healthcare industry. The program will follow the admission, retention, and graduation standards set by the College of Law at the University of Oklahoma. Students must earn at least a 7.0 GPA on a 12 point scale.

Reason for request:

The College, in conjunction with an outside consultant, undertook a comprehensive review of industries in need of specialized graduate legal education. The conclusion of this study was that the Healthcare industry has acute needs for such education. Healthcare, being a highly regulated industry, is adding additional employees in compliance and procurement positions that need additional legal education. The University has a strong history of excellence in the Healthcare field with a renowned College of Medicine and College of Public Health offering a variety of degrees and certifications (including doctoral and master’s degrees) in Medicine, Nursing, Dentistry, Healthcare Administration and Public Health. Although many of these degrees contain one or two introductory courses in Healthcare Law, none offer extensive opportunities to study in detail the legal and regulatory environment of the healthcare industry. The College therefore proposes to add to its offering of Masters of Legal Studies, a program focused on Healthcare Law. Recognizing that non-lawyer employees and executives in healthcare companies and non-profit organizations are facing more regulatory, compliance, contractual and legal issues on a daily basis, the College of Law recognizes a need for an online graduate program to serve the professionals in the healthcare industry who do not wish to seek a Juris Doctor degree at this point in their career. This program will offer an accelerated program (15 months) that can be taken primarily online. Upon completing this program, students will: Acquire a basic working knowledge of the Healthcare system; develop basic legal research skills in the context of healthcare law; gain a deeper understanding of the law and regulation of billing and collection for healthcare services in both the public and private contexts; understand the legal organizational structure of healthcare organizations; become proficient in the laws governing patient privacy and issues surrounding the management of healthcare data; and gain experience in the process of an investigation of a healthcare institution.

ISSUE: MICHAEL F. PRICE COLLEGE OF BUSINESS GRADUATE AND EXECUTIVE CENTER – NC & HSC

ACTION PROPOSED:

President Boren recommends the Board of Regents:

I. Approve the University Research Park Michael F. Price College of Business Graduate and Executive Center Build-out project and authorize addition of the project to the Campus Master Plan of Capital Improvement Projects;

II. Approve project design and authorize preparation of construction documents for the Michael F. Price College of Business Graduate and Executive Center Build-out project; and

III. Authorize the University administration to contract and make payments not to exceed the cumulative amount of $3,500,000 for construction.

BACKGROUND AND/OR RATIONALE:

Project design currently is underway for the build-out of an approximately 26,000 square feet of space on the third floor of Building 865 of University Research Park at the Health Sciences Center for the College of Business Graduate and Executive Center. The space will house the Master of Business Administration (MBA) Programs, serve as a destination for future special master’s programs and facilitate the college’s expansion of Executive Education (EE) programs. The finished space will be utilized to include four lecture halls, collaborative learning space, and study and innovation space, as well as house administrative staff and faculty offices. The estimated total project budget is $6,000,000.

To expedite and coordinate the work, it was determined that the project can best be accomplished utilizing the Architecture Consultant On-Call Contract with MA+ Architecture. MA+ Architecture will provide the professional services required to review the space program; prepare preliminary design and cost estimates; produce the design and the contract documents; and administer the construction contract for the project as an on-call consultant.

Currently, it is anticipated construction will be substantially completed in summer 2017. The estimated total construction budget for this build-out is $3,500,000 with funding from discretionary and private sources.
AGENDA ITEM 8

ISSUE: GAYLORD FAMILY-OKLAHOMA MEMORIAL STADIUM – NC

ACTION PROPOSED:

President Boren recommends the Board of Regents:

I. Authorize University Administration to contract and make payments not to exceed the revised cumulative amount of $125,000,000 for construction of the Gaylord Family-Oklahoma Memorial Stadium Project; and

II. Recognize and acknowledge that the University may incur certain costs relative to the above project prior to receipt of bond proceeds and, to the extent the University utilizes currently available funds for said costs, it is intended that bond proceeds will be utilized to reimburse those outlays.

BACKGROUND AND/OR RATIONALE:

At the March 2015 meeting, the Board of Regents approved the design development phase plans for this portion of Gaylord Family Oklahoma Memorial Stadium Project, which added new seating at the southeast and southwest corners of the stadium to complete the seating bowl: new suites, loge boxes, clubs and club seating. Also included are two new fan plazas, other fan amenities, restrooms, a new Sooner Vision video board and sound system and a new Legends Lobby space, as well as expansion and improvements to football and other sports programs’ team facilities and support spaces. At the June 2016 meeting, the Board of Regents authorized $122,000,000 in expenditures for construction.

The initial occupancy of the game day elements of the project was achieved for the September 10, 2016 football game and for all games for the 2016 season. Consistent with the complete project schedule as presented, the sports programs’ team facilities and support spaces will be complete in the Spring of 2017. With this progress, the occupancy of all game day spaces, and the total project work identified for construction, office furniture and equipment, it is proposed that the Board of Regents authorize total expenditures for construction not to exceed $125,000,000, utilizing funds heretofore budgeted as contingency.

The total project budget remains at $160,000,000. Funding for the project has been identified and is available from Athletics Department capital funds, bond funds and private sources.
AGENDA ITEM 9

ISSUE: MEDICAL, DENTAL, LIFE AND DISABILITY BENEFIT PLANS – ALL

ACTION PROPOSED:

President Boren recommends the Board of Regents authorize the President or his designee to approve the following 2017 health care changes and premium rate strategy:

I. Terminate the fully insured HMO plan option for active employees;

II. Add a $20 monthly tobacco surcharge to medical premium rates;

III. Require employee contributions of $5 monthly for individual dental coverage; and

IV. Implement employee contribution rates as described in the attachments.

BACKGROUND AND/OR RATIONALE:

A. Under the current fully-insured arrangement on the HMO, OU pays for fees and taxes that are not paid by self-funded plans. Combined with high claims experience, significant proposed rate increases and declining HMO enrollment, the University no longer will offer the HMO plan option to employees.

B. According to the Centers for Disease Control and Prevention, tobacco use is one of the leading causes of preventable deaths. To encourage plan participants to be tobacco free, it is recommended that a $20 tobacco surcharge be added to the monthly premium for tobacco users. Employees will be required to attest to being a tobacco or non-tobacco user during the annual enrollment process and premiums will be charged accordingly. Employees who are actively engaged in smoking cessation programs will qualify for the lower non-tobacco user rates.

C. Currently, the University pays the full cost of dental coverage or provides a credit to those who waive coverage. Review of plan usage demonstrates that approximately 35 percent of participants do not utilize their dental benefits during the year and another 15 percent have only used this benefit in an emergency situation. A survey of peer institutions indicates that dental coverage is generally a voluntary benefit, with employees paying most if not all of the required premium. It is recommended that OU implement a $5 required employee premium for plan year 2017, with no employee credit for those who waive coverage.

The PPO rates reflect the change in third party administrator and claims experience under the self-insured arrangement for plan year 2016. Premiums for the PPO option reflect a 4.5 percent increase compared with plan year 2016.

D. There will be no increase in HSA.
E. Medical insurance contribution rates for 2017 have been adjusted to provide a more equitable cost sharing arrangement for employees with employee only coverage and those selecting dependent coverage.

F. The VSP rates reflect claims experience under the self-insured arrangement for plan year 2016, and no increase for 2017.

G. The Delta Dental rates reflect claims experience for 2016, introduction of a $5 employee contribution, and change to a self-insured arrangement for plan year 2017.

H. The Lincoln Financial rates for Life and AD&D reflect the change in insurer and the negotiated reduction in life insurance and AD&D premiums for 2017.

I. No changes are proposed to Medicare eligible retiree medical or dental rates for 2017.

AGENDA ITEM 10

ISSUE: FISCAL YEAR 2016 INDEPENDENT AUDITS – NC & HSC

ACTION PROPOSED:

President Boren recommends the Board of Regents:

I. Accept the fiscal year 2016 independent auditors’ reports and audited financial statements for the Norman Campus and Health Sciences Center Campus; and

II. Accept the fiscal year 2016 independent auditors’ reports on compliance and schedules of expenditures of federally funded awards for the Norman Campus and Health Sciences Center Campus.

BACKGROUND AND/OR RATIONALE:

At the October 2016 meeting of the Board of Regents’ Finance and Audit Committee, Eide Bailly presented for the fiscal year ended June 30, 2016 the “Independent Auditors’ Report,” the Audited Financial Statements, and the “Independent Auditors’ Report on Internal Control Over Financial Reporting and on Compliance and Other Matters.” The audits were conducted in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

At the same meeting, Eide Bailly presented for the fiscal year ended June 30, 2016, the “Independent Auditors’ Report on Compliance for Each Major Federal Program; Report on Internal Control over Compliance; and Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance based on audits of the Norman Campus and Health Sciences Center Campus. These audits were conducted in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and Office of Management and Budget.
AGENDA ITEM 11

ISSUE: ACQUISITION AND SALE OF PROPERTY, 3161 AND 3171 DEWEY AVENUE – NC

ACTION PROPOSED:

President Boren recommends the Board of Regents authorize the University administration to acquire property located at 3161 and 3171 Dewey Avenue, Cleveland County, Norman. An executive session pursuant to Section 307B.3. of the Open Meeting Act may be proposed.

BACKGROUND AND/OR RATIONALE:

The University administration recommends that it be authorized to pursue acquisition of the property listed above. The location of the property is contiguous to and in close proximity with other University property, which makes it a strategic and desirable acquisition.

The University has a contract for purchase contingent upon approval by the Board of Regents. The purchase price is supported by an independent third party appraisal, and the proposed acquisition complies with Regents’ policy. Both the purchase contract and appraisal are on file in the Board of Regents’ Office.
