

# Oklahoma Microscopy Society

**Spring Workshop 2009**

**Friday, April 24th**

You are invited to attend our annual workshop featuring . . .

## Keynote Talks on . . .

**Applications of Environmental Scanning Electron Microscopy—**  
Marc Castagna, FEI, Inc.

**Biological Applications of the Atomic Force Microscope—**  
Kim Reed, Veeco, Inc.

**Basics of Ion Milling for Materials Sciences—**  
JEOL, Inc.

Keynote talks will be at Meridian Technology Center in the morning followed by lunch which is included in the registration fee.

Demos and Tours will be at the OSU Microscopy Laboratory in Venture 1 of the Oklahoma Technology & Research Park.

## Demos of . . .

**OSU's new Environmental Scanning Electron Microscope**

**Updated Atomic Force Microscope**

**Ion Milling Techniques**

**Latest technology in Digital Microscopes**

## Tours and Exhibits . . .

**OSU Microscopy Laboratory**  
**Veeco Metrology**  
**Keyence Corp.**  
**Agilent Technologies**  
**JEOL, Inc.**

**Registration contact: Dr. Susheng Tan (405) 744-3013**  
**susheng.tan@okstate.edu**
