

Latino Community Development Agency (LCDA)
Proyecto Cambio: Intimate Partner Violence/Sexual Violence Program (IPV/SV)
Community-Based Linkage Council (CBLC)
Sub-committees

Purpose:

To create a culturally & linguistically efficient prevention case management intervention comprised of: addressing perceived Hispanic/Latino community strengths and barriers identified by the CBLC, enhancing existing procedures utilized by LCDA Proyecto Cambio to appropriately refer Hispanic/Latino consumers to IPV/SV services in the surrounding OKC area, and utilizing community strengths to address identified needs of the Hispanic/Latino community as provided by focus groups and key informant interviews.
