

Latino Community Development Agency (LCDA)  
Proyecto Cambio: Intimate Partner Violence/Sexual Violence Program (IPV/SV)  
Community-Based Linkage Council (CBLC)

Sub-committees

**Goal:**

To reduce the occurrence of IPV/SV in the Hispanic/Latino community in the Oklahoma City area.

**Objective:**

Create a culturally & linguistically efficient prevention case management intervention comprised of:

- addressing perceived Hispanic/Latino community strengths and needs identified by the CBLC,
- enhancing existing procedures utilized by LCDA Proyecto Cambio to appropriately refer Hispanic/Latino consumers to IPV/SV services in the OKC area,
- utilizing community strengths to address identified needs of the Hispanic/Latino community as provided by focus groups and key informant interviews.

**Activity:**

Each sub-committee will review three items:

- **Summary:** Existing procedures utilized by LCDA Proyecto Cambio to appropriately refer Hispanic/Latino consumers to IPV/SV services in the OKC area.
  - **List:** Perceived strengths and needs identified by CBLC members.
  - **A visual:** Identified needs of the Hispanic/Latino community as provided by focus groups and key informant interviews.
1. **Examine** the identified needs of the Hispanic/Latino community as provided by focus groups and key informant interviews (*visual*) along with the existing procedures utilized by LCDA Proyecto Cambio (*summary*).
  2. **Construct ideas** that will *serve as solutions* to address identified needs of the Hispanic/Latino community (*visual*).
  3. **Construct ideas** that will *serve as improved methods* to existing procedures utilized by Proyecto Cambio (*summary*).
  4. **Adapt** Proyecto Cambio's existing procedures by incorporating solutions and improved methods.
  5. **Develop** a summarized plan to be carried out by Proyecto Cambio and identified community resources.
  6. **Present** summary at next CBLC meeting that is to be held on February 26, 2003.
