Hey there, I'm here to help you understand this page. There are a few tables and some text, but I'm going to break it down for you:

1. **Security Council**: The Security Council of a small group of 15 countries that has the power to impose sanctions and authorize military action. Other countries are expected to follow Security Council mandates. Security Council decisions are made by consensus. The Security Council does not take direction from the General Assembly. The Security Council is responsible for maintaining international peace and security.

2. **Crisis Simulations**: In the MUNSW conference, students represent their country's views on world events with regional and globally destabilizing implications. Students are expected to have a working knowledge of their assigned country's political, social, economic, and religious views when they arrive at conference. While in conference, delegates are expected to communicate and work together for the entire conference. It is a criminal offense to discuss the assigned topic areas, but also should be open to discussion. Delegations must not have any prior experience throughout the conference.

3. **Registration Information**: All registrations must be filled out with complete information. Countries must be represented by a minimum of one delegate. Each sample resolution must include the following:
   - A country's mission statement
   - A description of the country's views on world events
   - A commitment to maintaining international peace and security
   - A commitment to working towards global security

4. **Conference Fees**: The conference fees are as follows:
   - **Single Occupancy**: $45
   - **Double Occupancy**: $37.50
   - **Family/Multi-Room**: $32.50

5. **Delegation Form**: Delegates are required to submit a sample resolution. If they need a sample resolution, they can call (405) 325-6897.

I hope this helps! Let me know if you have any other questions.
