CEES POLICY ON

SCHOLARSHIP RECIPIENT OBLIGATIONS

1. Scholarship recipients are required to attend the annual scholarship luncheon that is held to recognize recipients and allow scholars to meet donors.

2. Scholarship recipients are required to write a thank you letter to their donor with a copy to the CEES office.

3. During the award period, scholarship recipients are encouraged to demonstrate evidence of professional activity, e.g., participation in an approved professional society, research experience, or professional work experience.

4. If a student fails to conform to this policy, he may be ineligible for further scholarships from CEES.

5. A copy of this policy will be given to each CEES scholarship recipient.

6. Recipients of scholarships from the School of Civil Engineering & Environmental Science are expected to remain students in good standing and to exemplify the highest standards of scholarly conduct and citizenship. Candidates may be disqualified for prior misconduct, including but not limited to academic misconduct and student code violations.

I recognize that I must satisfy the above conditions to receive my scholarship and agree to fulfill these requirements.
