

Good morning, Your name

### Instructions

The University has many academic advising centers that can help you with tasks such as semester advising, degree checks, major and career selection, etc.

Your declared major and/or classification, e.g., Freshman, will determine which advising centers you can make appointments with.

Some majors have advising centers at the college level and department level, each of which can help you with different advisement tasks. Please be sure you are making your appointment with the appropriate center.

Having trouble deciding? Please visit the [Who-How-Where of Advising](#) section of the Academic Advising website for more information on the advising process.

### Select Major

Please select which major you would like to be advised for.
