WILLIAMS STUDENT SERVICES CENTER NEWS
October 24, 2011
This E-Newsletter Includes:
  Announcements
  This Week’s Events—New Group!
  Upcoming Events
  Career and Internship Opportunities—NEW!
  Research Opportunities
    Workshops
    Study Abroad
    Awards-
  Scholarships and Grants—NEW!
  Advising Information
  UOSA Registration
  Tutoring Information—FREE!

**DO NOT REPLY**: Students enrolled in College of Engineering courses receive this weekly e-newsletter. Questions or submissions, contact coe_newsletter@ou.edu.

ANNOUNCEMENTS
Connect!!!  Follow OU College of Engineering
Like us On Facebook at University of Oklahoma College of Engineering
***RSVP on Facebook to the Sam Wilson Lecture and be eligible for a drawing***
Follow us on Twitter @ENGINEERINGatOU  View us on YouTube

Let us hear from you!
Have an announcement for the weekly E-Newsletter? Email coe_newsletter@ou.edu by Monday at 9am.

Honors/Engineering Liaison
College of Engineering students who are also in Honors College or wish to learn about pursuing the engineering with honors curriculum please contact Dr. Chris Dalton, cdalton@ou.edu. Dr. Dalton is available Monday through Thursday from 1 – 3 PM or by appointment in REPF 114.

**THIS WEEK’S EVENTS**

*Kast and Mould Society of Design & Engineering*

**TONIGHT! Tuesday, October 25th**

**7:30-9:00pm**

**Devon Energy Hall 320**

Learn and master all of the following modeling programs! As well as available officer positions, projects, and competitions.

- Autodesk Inventor
- Autodesk AutoCAD
- Autodesk Revit Architecture
- Solidworks
- Pro Engineer
- 3D Studio Max/Maya
- Lightwave 3D
- Rhinoceros3D
- Adobe Acrobat

*For accommodations on the basis of disability contact* tanner.jones-1@ou.edu

**ASME Meeting with Presentation by SEAM and SEAM Aero**

**Thursday, October 27th**

**6:00-8:30pm**

**Devon Energy Hall 130**

The Central Oklahoma Section of ASME is having their monthly meeting at OU and the theme is "Shape Engineering for Advanced Manufacturing- creating revenue and jobs in Oklahoma". Two entities, SEAM Center and SEAM Aero, come together to impact Maintenance Repair and Overhaul throughout the US. Learn what Oklahoma expertise is doing by joining us on Thursday!
Speaker: Dr. Shivarkumar Raman  RSVP: ASME_OU@ou.edu by Tuesday, October 25 at 6:00PM.
For accommodations on the basis of disability, contact ASME_OU@ou.edu

ECE Graduate Student Society (ECEGSS) Kick-Off event
Thursday, October 27th
4:30 pm
Devon Energy Hall 220
An opportunity for the grad students to interact with the faculty and follow students. The speakers will talk about success in graduate studies, how to get prepared for a life career. New graduate students are highly encouraged to be a part of this event. Food and drinks will be served. For accommodations on the basis of disability, please contact Hao Ye, yehao@ou.edu.

Attention Engineering Students interested in Health Professional and Medical School! Come out to HSC Day!
Thursday, October 27th
3-6pm
OU Health Sciences Center campus, David L. Boren Student Union (1106 N. Stonewall, OKC 73117)
The HSC Day is an annual event that gives prospective students an opportunity to discover all the HSC campus has to offer. Students are able to go on campus tours, receive program and admission information, and meet current HSC students. Also, attendees have a the opportunity to get an inside peek of student life by visiting the college of their choice. Students can also go to go2.ouhsc.edu for more information about See HSC Day.

SHPE Halloween Dinner and Haunted House
Friday, October 28th
5:30pm
Devon/REPF lawn
We will have dinner in the lawn between Devon and EPF and we'll leave to the Ultimate Terrors Haunted House in OKC at 6:30pm (to be the first ones in line!)
For more information about Ultimate Terrors, visit http://www.ultimateterrors.com
This a free event for PAID members of SHPE, but you can pay for membership the day of the event.
Membership is $15 and it includes a free T-shirt and registration to SHPE Nationals! Food provided by UOSA.
For accommodations on the basis of disability and to RSVP, contact Diana.lucero-1@ou.edu so I can get your ticket!!

UPCOMING EVENTS
E-1 Halloween Bash
Monday, October 31st
6:30-8:30pm
Cate Main Lounge
FREE food! Zom-beats! SPOOK-tacular fun! Costumes--if you dare!
E-1 is for all First Year Engineers. Accommodations on the basis of disability are available by contacting Emily Canaday at Emily.M.Canaday-1@ou.edu by October 29, 2011.

Cornell Physicist to Visit COE!
Monday, October 31st
Paul McEuen, author of Spiral, a novel written by one of the leading researchers in nanoscience, will be the Sam Wilson Lecture speaker on Monday, October 31st. McEuen has already sold the movie rights to this riveting debut thriller.
The Future of Small
3:00-4:30 p.m.
Gaylord College of Journalism Auditorium
Reception
4:30-5:30 p.m.
Gaylord College of Journalism Inasmuch Commons, Gaylord Hall (south oval)
We know. You want to read the book. Simply visit the Engineering Library located on the second floor of Felgar Hall. They have six copies available for you to check out.  
Disclaimer: Once you start reading this book, you won't be able to put it down.

Accommodations on the basis of disability are available by contacting (405) 325-9037 by Oct 28, 2010. For more information, please visit http://mceulecture.eventbrite.com/.

Volunteers needed!

First LEGO League

November 12th

A FIRST Lego League competition will be hosted by the Francis Tuttle Pre-Engineering Academy at their Portland (OKC) campus on November 12, 2011. There is a need for volunteers to help stage the event and to serve as judges for the event. The competition is an all day event and is a great opportunity to volunteer and interact with potential OU / CoE students. Specifics regarding the competition can be found at: http://firstlegoleague.org/challenge/2011foodfactor. Specific information regarding judging can be found at: http://firstlegoleague.org/event/judging. To volunteer or for more information please contact Bryan Kitzrow at the Francis Tuttle Pre-Engineering Academy at (405) 717-4698 or at bkitzrow@francistuttle.edu.

Sooner Launch Pad Pitch Competition

Sponsored by the Price College Center for Entrepreneurship! For more information, please go to (http://www.ou.edu/slp/programs/pitch.html) The SLP Pitch Competition has the objective to propel students' business ideas into real enterprises. SLP will host the third annual Pitch Competition on November 18th, 2011. The competition is open to current OU student teams from all disciplines and academic levels. In order to compete, teams will need to submit a business pitch slide deck and executive summary to slp@ou.edu by 10am on Monday, November 7th.

RECOGNITION RECEPTION FOR FALL 2011 GRADUATES

Friday, December 16th

6:30-7:30 pm

Beaird Lounge, Oklahoma Memorial Union
Candidates for Fall 2011 graduation will be honored at a recognition event scheduled for December 16, 6:30 pm. Recognition ceremony begins at 6:45 pm. Caps and Gowns not required although they will be provided for photos. Complete a reply card in Williams Student Services Center, FH 112 as your RSVP by December 8. You may also complete the card and e-mail it as an attached document to coe.wssc@ou.edu. For accommodations on the basis of disability, please contact Susy Calonkey at (405) 325-1069 or scalonkey@ou.edu.

CAREER AND INTERNSHIP OPPORTUNITIES

DOE Scholars Program Internship
Specific Division: Multiple Offices
Location: Multiple Locations
Application Deadline: 11/15/2011
Visit the following web link to learn more and to apply:
http://1.usa.gov/p9AoA5

Naval Research Enterprise Internship Program (NREIP)
The Naval Research Enterprise Internship Program (NREIP) is a ten week summer research opportunity for undergraduate Sophomores, Juniors & Seniors, and Graduate students, under the guidance of a mentor, at a participating Navy Laboratory. The stipend amounts for the program are $5,250.00 for Sophomores, $7,880.00 for Junior and Senior undergraduate students and $10,500.00 for graduate students. U.S. citizenship required; Permanent residents accepted at certain labs.

Again Sophomores NOW accepted!! The online application is now open at https://nreip.asee.org/ and must be completed by January 6, 2012. All accompanying documents (official transcripts and reference letters) are due by January 6, 2012.

Engineering Students: Career Services

http://www.ou.edu/career/

Too many to list - Check it out! http://intern.nasa.gov/

- **Student Temporary Employment Program (STEP)**
  
  http://jobs.bpa.gov/Just_For_Students/StudentPrograms.cfm

  Interested in learning more about Bonneville Power Administration (BPA), Dept of Energy, and earn money at the same time? BPA’s STEP program provides an opportunity for students to earn money, continue their education, train with professionals, and combine academic study with on-the-job experience. Work does not have to be related to the student’s academic or career goals. Students may work part time when school is in session and full time during vacation periods. Students can be hired for the summer or for as long as they are an eligible student.

- **Department of Energy: General Counsel Undergraduate Intern Program**
  
  http://energy.gov/gc/general-counsel-undergraduate-intern-program

  The Department of Energy’s Office of the General Counsel Undergraduate Intern Program offers an exciting opportunity for college students to gain firsthand exposure to cutting-edge issues in energy law and policy. The General Counsel’s Office provides legal advice, counsel, and support to the Secretary, the Deputy Secretary, and program offices throughout DOE to further the Department’s mission of advancing the national, economic, and energy security of the United States through scientific and technological innovation and the environmental cleanup of the national nuclear weapons complex.

  Interns will have an opportunity to attend meetings, observe hearings, and learn first-hand about the work of DOE and the Office of the General Counsel. Interns can expect work assignments concerning an array of energy related issues, such as energy efficiency enforcement, implementation of energy law, renewable technologies, and increasing transparency, accountability and efficiency within the DOE. Examples include: (1) policy and legal research on energy-related issues; (2) cite-checking and proofreading legal briefs, memoranda, and correspondence; (3) maintaining and improving the General Counsel Office website and DOE internal wiki; and (4) various administrative duties.

  The Undergraduate Intern Program will run for a minimum of ten weeks during the fall, spring and summer – however we can be flexible on dates to
accommodate academic schedules. To apply, please send a cover letter, resume, and transcript directly to the Office of the General Counsel’s email at gcintern@hq.doe.gov. Applications are due by August 1 for the fall semester; October 15 for the spring semester; and February 1 for the summer.

**Research Experience for Undergrads**
REU and internship opportunities from Pathways to Science website, www.pathwaystoscience.org.

**WORKSHOPS**

**Lean/Six Sigma Fundamentals Certification Workshop**
*When:* February 04, 05, 11, 12, and 18, 2012  
*Where:* CEC 121-122, 8am-5pm  
*Cost:* $350 per OU student; $825 for OU faculty/staff; $1,100 for non-OU; for ALL five days  
This is the starting certification workshop in Lean/Six Sigma. Equivalent to White Belt and Yellow Belt combined.  
*Lean and Six Sigma are the best known (benchmark) organizational improvement tools. Lean promotes "organizational efficiency" while Six Sigma promotes "organization effectiveness." In combination, they allow an organization to make breakthrough improvements in its performance and customer satisfaction.*

**Lean/Six Sigma Green Belt Certification Workshop**
*When:* March 03, 04, and 10, 2012  
*Where:* CEC 121-122, 8am-5pm  
*Cost:* $450 per OU student; $975 for OU faculty/staff; $1,300 for non-OU; for ALL three days  
For further information and a registration form, please contact Dr. B. M. Pulat at bpulat@ou.edu; 405-325-4532.

**FE EXAM REVIEW SCHEDULE**
*Tuesday, Oct 25:*
5:00-7:00 p.m. Economics—EPF 200 (Dr. Pulat)  
7:00-9:00 p.m. Thermodynamics—EPF 200 (Dr. Dalton)
Wednesday, Oct 26:
7:00-9:00 p.m. Circuits (Dr. Davis) – DEH 120

Thursday, Oct 27:
5:00-7:00 p.m. Statics – EPF 200 (Dr. Hatami)
7:00-9:00 p.m. Fluids – EPF 200 (Dr. Gramoll)

Review Materials are available in the Engineering Library also

STUDY ABROAD
If you are interested in studying abroad, keep reading. The College of Engineering encourages students to embark upon the life-changing experience a study abroad experience can provide. Did you know that such an experience is an investment professional development as well? As discussed in any Information Session, engineering is a global profession as the biggest challenges we face today extend beyond national borders. Concerns regarding funding for study abroad is often the primary reason students don’t ever apply or consider such an important experience. However, there are more resources available today than ever before to assist students who wish to realize such a life-changing and enlightening experience.

Review this site for information regarding fellowships and scholarships for study abroad: http://www.ou.edu/content/cis/education_abroad/funding_study_abroad.html

Specifically, any student wishing to study abroad should apply for the Presidential Travel Fellowship. Last year nearly 80% of all applicants who applied received this award that can cover up to 75% of airfare costs. Questions about funding, contact Theresa Marks (tmarks@ou.edu) or the Education Abroad office via: http://www.ou.edu/content/cis/education_abroad/contact_us.html

IMPORTANT NOTICE: If you plan to attend one of the College of Engineering Summer programs, i.e. France or Italy, we encourage you to apply as quickly as possible. Application materials are available via: http://www.ou.edu/content/coe/wssc/left/study_abroad.html If you have further questions, contact: Theresa Marks (tmarks@ou.edu).

Application Process for the Engineering Summer France Program, and Engineers in Italy for Summer 2012 open!

Find all the application materials at this site: http://www.ou.edu/content/coe/wssc/left/study_abroad.html
The application deadline for either program is Friday, January 20, 1012 at 5:00
Note: Students are encouraged to apply early as seats are limited.

**SCHOLARSHIPS, FELLOWSHIPS, AND GRANTS**

Financial Support in Graduate School Opportunities

Bridges, GK-12, IGERT and NSF Grad Research Fellowship programs provide generous stipend and tuition support for students through the National Science Foundation:
http://www.pathwaystoscience.org/Grad.asp

**Women In Transportation Scholarships**

2011 Graduate and Undergraduate Scholarship Applications

WTS: Advancing Women In Transportation is an international organization with over 4,100 members and 47 chapters. WTS is committed to excellence in the transportation industry and provides an opportunity for member career advancement through the exchange of information, ideas, and experiences. WTS’ network provides professional support to its members through a variety of services, including career development assistance, seminars on current transportation issues, and regular newsletters.

To encourage women pursuing careers in transportation, the Greater Dallas/Fort Worth Chapter of WTS awards three local scholarships to a graduate ($1,500) and two undergraduate ($1,000 each) students. The scholarships are open to students attending an eligible college or university (see attached listing) in Texas and Oklahoma. All over the world, local WTS chapter scholarship winners become eligible for a corresponding international scholarship. Four International scholarships are available. The international graduate award is $6,000, the international undergraduate award is $3,000, and the international leadership awards for graduate and undergraduate students are $3,000 each. Applicants should complete the enclosed applications to be eligible for both local and national awards. The three local WTS scholarships are:

Wanda J. Schafer Graduate Scholarship, established in 2002 in honor of the first chapter president of the Dallas/Fort Worth chapter, is designed to encourage women to pursue career paths in transportation. This is a $1,500 scholarship awarded to a student pursuing graduate studies in transportation or a related
Dallas/Fort Worth Chapter WTS Undergraduate Scholarship, is designed to foster the development of women in the transportation field by encouraging bright new professionals to undertake careers in transportation. This award is for $1,000. Monique Pegues Undergraduate Leadership Scholarship, named in memory of a past president of the Dallas/Fort Worth chapter to motivate and reward women who demonstrate leadership in the transportation industry. This is a $1,000 scholarship.

The applications are simple and straightforward and may be downloaded from [http://www.nctcog.org/trans/wts/](http://www.nctcog.org/trans/wts/). The application form and accompanying transcript, personal statement, and letter(s) of recommendation must be post marked **no later than Friday, October 28, 2011**, in order to be eligible for the scholarships. We expect to notify the women selected in December 2011. If you have any questions, please feel free to contact Amanda Wilson at (817) 695-9284 or awilson@nctcog.org.

**FROM THE ADVISING OFFICE**

*Contact the advising team in Williams Student Services Center (WSSC) for all enrollment needs.*

**WSSC Advising Appointments and Walk-ins:**

*Current College of Engineering students* can schedule an appointment via [http://iadvise.ou.edu](http://iadvise.ou.edu)

*University College-Engineering majors* may call WSSC at (405)325-4096 to schedule an appointment

**Walk-in hours (Felgar Hall room 112):**

- **Mondays:** 2:30-4pm
- **Tuesdays** – **Thursdays:** 9:30-11am and 2:30-4pm
- **Fridays:** 9:30-11am

**NOTICE! The deadline for dropping a course with WSSC signature only is October 28! Beginning Monday, October 31, students must also obtain instructor permission to drop a course.**

**Fall 2011 ADD/DROP Deadlines and Instructions**

</table>

***NEW*** Withdrawal (W) limit of 5 total OU courses:

**Effective Fall 2011** An undergraduate student is allowed only five grades of “W” from OU courses, throughout the course of his/her undergraduate career at The University of Oklahoma. Once a student reaches this maximum number of W grades, he/she will not be allowed to drop any courses after the free add and drop period (first two weeks of classes).

After the five-drop limit has been reached, students with extreme, extenuating circumstances may apply for an exception to the limit on W grades through the Office of the Provost.

**Meet your College of Engineering-Williams Student Services Center (WSSC) Staff**

http://www.ou.edu/content/coe/wssc/left/about/staff.html

**COLLEGE OF EARTH & ENERGY majors**

Please check with your advising center for specific information and deadlines about advising, graduation, scholarships, seminars. Also, be sure and check out your EarthLink Newsletter posted each week at: http://mcee.ou.edu/services/services.php
FREE TUTORING FOR ENGINEERS!
Every Sunday - Thursday from 1 - 9 p.m. in REPF 230 and Engineering Library
Free DLC tutoring for engineers begins soon! Our tutors participated in ITPC certification before the fall semester. Tutoring in Physics, Chemistry, Calculus 1-4 and many other courses in engineering. Go to this link for further information about the tutoring schedule for specific courses.
  http://www.ou.edu/coe/wssc/left/about/tutoring.html

STUDENT ORGANIZATION INFORMATION FROM UOSA

NEW BUDGET WEBSITE
The new UOSA Webmaster has been working hard over the summer and this week to get the new UOSA Budget Committee website up and running. Please visit the new website for how to spend your UOSA funds, roles of officers, UOSA account handbook and important deadlines.  Click Here for the NEW UOSA Budget Committee Website

STUDENT ORGANIZATION MAILBOXES
As a registered student organization most of you were assigned a mailbox in the Conoco Wing. Throughout the year you are encouraged to check your mailbox daily or at the least on a weekly basis. Please send someone to check your mailbox for your organization this week because there may be a reimbursement check or outstanding bill that needs to be paid. Also, if you are getting unwanted subscriptions, etc. please contact the sender and cancel the subscription.

UPDATE SIGNATURE CARDS
If you are currently funded by UOSA and your officers or advisors have changed, please stop by the UOSA office to fill out a new signature card.

***If you are no longer an officer/advisor for an organization please forward it to the new officer/advisor and have them re-register with Student Life at http://rso.ou.edu. ***
POSTING FLYERS AND ADVERTISEMENTS AROUND AND ON COLLEGE OF ENGINEERING FACILITIES/BUILDINGS

NO POSTING OF FLYERS OR INFORMATION ON DOORS, WINDOWS, OR WALLS ON THE NEW DEVON ENERGY HALL AND EXXONMOBIL LAWRENCE G. RAWL ENGINEERING PRACTICE FACILITY. Recently a bulletin board was placed in the ExxonMobil Lawrence G. Rawl Engineering Practice Facility and in Devon Atrium.

NOTE: The OU College of Engineering plans to go GREEN soon – paperless! Please turn in any upcoming meeting notices or other information for College of Engineering students to: coe_newsletter@ou.edu to be included with the weekly CoE Williams Student Services Center E-Newsletter!

For the present time: For Postings on Felgar Hall and Carson Engineering Center, if students do not want their flyers removed by Housekeeping or the College of Engineering, please follow the guidelines as listed below:

• The flyer must be about COE related events and functions – all other advertisements will be promptly removed.
• All flyers must include: Accommodations on the basis of disability statement. Example: Accommodations on the basis of disability are available by contacting (name, e-mail address, phone) by (date).
• The flyers may NOT be posted on painted, finished, or brick surfaces. The adhesive in the tape causes damage to these surfaces.
• Never use duct or wide packing tape to post flyers. The adhesive on the tape can be damaging to glass or surfaces. One sided “Scotch” type tape only can be used on glass surfaces!!
• Flyers posted on glass doors should not block the line of sight, i.e. the whole panel can’t be covered – you must be able to see through to the other side. (This is a safety issue and is regulated by The University of Oklahoma).
• All flyers must include a DATE for a specific event. (Once that date has passed the flyers MUST be promptly removed by the Student organization or Department).
• All flyers must have the approval of the faculty/staff adviser or Tiffany Smith. A copy of the flyer must be on file with Tiffany Smith located in ExxonMobil Lawrence G. Rawl Engineering Practice Facility, Room 241 before posting.

OTHER CAMPUS FLYER POSTINGS - If posting in or on facilities that are not engineering buildings, the University requires student groups to fill out and return a Campus Display Request form (separate form) and turn it into the Center for Student Life, OMU, Room 363, for approval. The form requires the
signature of the Faculty/Staff Adviser. The form further requires no less than **FIVE (5) WORKING DAYS PRIOR TO DATE REQUESTED FOR DISPLAY TO BE POSTED**. For further information, please call the Center for Student Life at 325-4415.

**CHALKING**-The Campus Display request form includes guidelines about chalking on campus. 
*Find these forms and more information, please go to [http://studentlife.ou.edu/content/view/231/181](http://studentlife.ou.edu/content/view/231/181).*

**ANNOUNCEMENTS:** Have an announcement for this weekly E-Newsletter? Email *coe_newsletter@ou.edu* by Monday at noon. Notices **MUST** include date, time, location, name and purpose of event and organization, accommodations statement, and contact information. Student organization announcements must be approved by a staff or faculty advisor.
