Each test name is followed by a "1" or a "3" indicating the reporting group: 1 = candidates testing prior to program completion, and 3 = program completers. The number in parentheses to the right of the test name indicates the number of candidates for which scores are reported from September 2018 - August 2019. The thick vertical line marks 240 as a passing score.

2018 - 2019 Average Scores by Test*

*Each test name is followed by a "1" or a "3" indicating the reporting group: 1 = candidates testing prior to program completion, and 3 = program completers. The number in parentheses to the right of the test name indicates the number of candidates for which scores are reported from September 2018 - August 2019.
