Emergency Medical Assistance

• Location of Medical Providers

MEDEX can provide contact information for physicians, hospitals, dentists, and dental clinics in the area where you’re traveling. MEDEX can also attempt to confirm the availability of the provider, ascertain payment requirements and make an appointment for you with the medical provider of your choice.

In a serious medical emergency, you should seek immediate care before contacting MEDEX. MEDEX medical experts will then consult with the local physician and determine the next most appropriate steps to provide proper care.

• Medical Monitoring

MEDEX Assistance Coordinators will continually monitor your case. In addition, MEDEX Physician Advisors will provide consultative and advisory services, including review and analysis of the quality of medical care you are receiving.

• Emergency Medical Transport

If you sustain an injury or suffer a sudden and unexpected illness and adequate medical treatment is not available in your current location, MEDEX will arrange and pay for a medically supervised evacuation to the nearest medical facility determined to be capable of providing appropriate medical treatment. Your medical condition and situation must be such that, in the professional opinion of the health care provider and MEDEX, you require immediate emergency medical treatment, without which there would be a significant risk of death or serious impairment.

• Repatriation of Remains

If you sustain an injury or suffer a sudden and unexpected illness that results in your death, MEDEX will assist in obtaining the necessary clearances for your cremation or the return of your mortal remains. We will coordinate and pay for the preparation and transportation of your mortal remains to your Home Country.

MEDEX will arrange for a family member to be involved according to the benefits of the insurance.
• Replacement of Medication

If you have an unexpected need for prescription medication while on a covered trip, or you lose, forget, or run out of prescription medication while traveling, MEDEX will attempt to locate the medication or its equivalent and attempt to arrange for you to obtain it locally, where it is available, or to have it shipped to you, subject to local laws, if it is not available locally. You will be provided with a cost estimate for the replacement medication and/or shipment costs that are subject to your approval.

• Guarantee of Payments and Method of Payment

Should it be necessary to provide a guarantee of payment to a medical provider, or to make arrangements to pay in local currency, MEDEX will work with ACE American Insurance Company to make that guarantee under the insurance benefits. MEDEX may further assist you by advancing money in dollars or local currency to medical providers according to repayment provisions worked out with ACE, you or a family member.

• Travel and Communication Assistance/Telephone Interpretation Service

If you need help communicating in an emergency, MEDEX will provide telephonic interpretation services in all major languages. In emergency situations that require extensive translation, MEDEX will make referrals to local translators.
