As part of the OU Physicians–Internal Medicine Department, our Geriatrics Section focuses on the care and well-being of our older patients.

John Carment, M.D., brings a vast range of experience to our practice. He is board certified in Internal Medicine and Geriatric Medicine and on staff at Saint John Medical Center. In addition to his private practices, Dr. Carment treats elderly patients throughout the spectrum of health care facilities including hospital, assisted living, nursing home, hospice and private homes.

Dr. John Carment, an assistant professor in the Department of Internal Medicine–Geriatrics at the OU School of Community Medicine, is also Associate Program Director for the Internal Medicine Residency Program.

Jessica Lee Luetkemeyer PA-C, a board certified physician assistant, works with Dr. Carment. Ms. Luetkemeyer was a radiation therapist prior to entering the PA program and previously worked at Mercy Health Center in Tulsa.
