<b>Footnotes</b>			
<sup>1</sup> - Two baseline TB skin tests placed 1-3 weeks apart (two-step TB skin test) or one baseline IGRA test upon matriculation. A TB Screening Questionnaire is required annually thereafter; additionally, some programs will require a skin test or IGRA test annually as well, to comply with off-site hospital and clinical requirements. Those with tests resulting in a positive should report to Student Health for further evaluation and clearance. <sup>2</sup> - Required for all students that will be patient-facing at some point during the completion of their degree program. <sup>3</sup> - Td or Tdap required every 10 years.			
<b>**Individual HSC Colleges/Programs may have additional requirements; the above list represents minimum requirements**</b>			

**For questions or to inquire about vaccination declination processes:**  
**Tulsa-based HSC students - contact OU-Tulsa Student Health at (918) 660-3102**  
**OKC and remote site students - contact OUHSC Student & Employee Health at (405) 271-9675**
