On March 31, 2016, my sweet brother, Avery Pittman, went to be in the loving arms of Christ. Avery meant everything to my family. And for those who had the blessing to know him, I know he touched each of your lives. He loved you all so much, and each of you know he would have done anything for you.

I love Avery so much, and I miss him more than words can ever express. He was and is the best brother, the most loving son, and the most loyal friend anyone could ever ask for. He was the best of us. He was the epitome of what it meant to be a Godly man of character and integrity. I will hold dear in my heart every moment I spent with him. I ask you all now to do the same.

Please join my family and I in celebrating Avery's life and continuing in his legacy. I know funeral's can be uncomfortable, especially for people that we love, but I ask you please please come honor Avery and celebrate his life. May it be a joyful time in sharing the great memories you have of Avery. The service will be held on Wednesday, April 6, at Frontline Church at 1:00 PM. Frontline is at NW 10th and Robinson in Oklahoma City.

Please send any pictures you have of Avery to me at bppittman@gmail.com. Also, please come with memories to share with each other and my family if you would be willing - you have no idea how much it would mean to all of us. If you desire to send flowers or a tribute, you can either send them to my parents house or Buchanan Funeral Services. And lastly, God willing, I will be setting up a Foundation in Avery’s name in the near future to continue his legacy of touching other’s lives. If you would like to donate to that, you can donate at this time or wait for more details to come.

Avery has so many friends that I don't even know so I sincerely ask you to please share this post, text each other, call each other about the details about his service to every single person that has met Avery. Let us truly celebrate and honor his incredible life together. If there is any difficulties getting to the service, please let me know and I will personally help you make financial or logistical arrangements.

Thank you all so very much.

-Ben Pittman
