

Activity 3.1

Degree Requirement Comparison Chart

Instructions: For this activity, you will learn how to compare degrees at OU to see if they are a good fit for your interests, values, and skills. To begin, review the list of academic majors at **ou-public.courseleaf.com/academic-majors**. Identify two bachelor's degrees at OU that you would like to investigate. Locate and closely review the degree checksheet for each of the two majors. Fill in the requested information for each of your two degree options.
