

Unsure about which course to enroll in?

This summer the OU Math Department will be offering a workshop to assist you in getting placed in the entry-level math course that is right for you. This workshop will give you the opportunity to review and practice some math skills you learned in the past but may have forgotten! If any of the following describes your situation, you may be a good candidate for participation in this workshop:

- It has been a year or more since you have had a math course.
- You feel that you need to brush up on some math skills.
- You want to review some math basics before taking the COMPASS test.

MATH Placement Workshop 2014

We will offer three workshops:

- Workshop 1: May 13-14.
- Workshop 2: June 23-24.
- Workshop 3: July 21-24.
-
