

Math Reassessment Requirements

- To assess a 2nd time, you will need to spend **15 hours in the modules with the Student Learning Center tutors**. For a 3rd assessment, 10 additional hours. You can spread this time over weeks or months.
- Time spent in the modules outside of the SLC tutoring Zoom will NOT count towards your required time.
- While these are the minimum required hours, students who actively complete the modules typically see the greatest improvement in their placement scores. The modules are specifically designed to help you build the skills needed to place into the next course level.
- All module time must be completed during a proctored Student Learning Center Zoom session.
- Currently, you may schedule tutoring by visiting iadvise.ou.edu/slc
- Beginning October 20, tutoring will be drop in, Tues-Sat from 1-7pm central.
