This special section of RUSS 1115 (Beginning Russian) is open only to students in the Honors College. We will place special emphasis on speaking practice and communicative competence. We will also make use of a wide variety of authentic materials (music, films, literature, journalism).

- Learn Russian, the language of poets, tsars, spies, chess players, and ballet dancers!
- Russia is once again emerging as a significant player in world politics. Study Russian and get ahead of the geopolitical curve!
