HOW TO BE CRIMSON CAREER READY

Crimson Career Ready means to demonstrate skills and qualifications that broadly prepare the student for success in the workplace and lifelong career management.

Career & Self Development
Develop oneself and one's career plans through continual personal and professional learning.
Examples: *Create resume and other professional documents; Attend Career Center events; Take a skills assessment survey, i.e. SuperStrong*

Communication
Clearly and effectively exchange information, ideas, facts, and perspectives through verbal and written avenues.
Examples: *Take communication or public speaking course; ive a class presentation; Utilize the writing center to improve written communication*

Critical Thinking
Identify and respond to needs based upon an understanding of situational context and logical analysis of relevant information.
Examples: *Participate in classroom learning, i.e. debate, research papers, case studies; Complete project-based service learning; Gain field experience, i.e. internships*

Perspective Awareness
Engage with people with different lived experiences & demonstrate flexibility, collaborative thinking, and adaptability to create accessible practices in which everyone feels included, valued and respected.
Examples: *Seek and intergrate feedback from individuals who have varied lived experiences to inform decisions; Attend a multicultural organization event, i.e. Eve of Nations*

Leadership
Recognize and capitalize on personal and team strengths to achieve organizational goals.
Examples: *Take on a leadership role in a student organization; Lead and facilitate a class project; Follow the Leadership & Volunteerism office for events and opportunities to serve*

Professionalism
Understand and demonstrate effective work habits, and act in the interest of the larger community and workplace.
Examples: *Participate in a mock interview with the Career Center; Practice time management and organization for future roles; Attend Career Center and employer events*

Teamwork
Build and maintain collaborative relationships to work effectively toward common goals, while approaching diverse viewpoints and shared responsibilities
Examples: *Join intramural sports on campus; Contribute to group assignments and projects; Take a strengths quiz to learn about yourself and others*

Technology
Understand and leverage technologies to enhance productivity, complete tasks, and accomplish goals.
Examples: *Create a comprehensive LinkedIn and Handshake profile and update regularly; Learn industry-specific technology from courses, i.e. SPSS, AutoCAD, Adobe; Become Google Certified and earn badges through LinkedIn Learning*
