Minor

- The requirements for a minor must be completed concurrently with the major degree requirements.
- No minor may be added by completing courses after receiving the bachelor's degree.

At least six (6) credit hours must be earned in courses acceptable for residence credit by standards set forth by the College of Arts and Sciences, excluding transfer, correspondence, and examination (AP, CLEP, Advanced Standing) credit. Courses for the minor may not be taken Pass/ No Pass.

No single course may be used by a student to satisfy a major requirement and a minor requirement. A course may be used, however, to satisfy both a major support requirement and a minor requirement.

Requests to substitute a minor requirement must be approved in writing by the Department of Health & Exercise Science.

REQUIRED COURSES

Students must successfully complete, with the grade of C or better, at least 18 hours of courses acceptable for major credit in Health and Exercise Science, including at least 12 hours at the upper-division level. In addition to HES 1823 and HES 2913, students must complete twelve (12) additional upper division hours, which can consist of four 3-hour upper-division electives, or any combination of appropriate upper-division electives that will total twelve (12) hours.

A grade of C or better must be earned in each course counted for minor credit.
