Academic and Professional Employment

2024-present	Chair, Department of Sociology, University of Oklahoma, Norman, Oklahoma
2024-present	Professor, Department of Sociology, University of Oklahoma, Norman, Oklahoma
2023-2024	Interim Chair, Department of Sociology, University of Oklahoma, Norman, Oklahoma
2020-2023	Graduate Liaison, Department of Sociology, University of Oklahoma, Norman, Oklahoma
2012-2024	Associate Professor, Department of Sociology, University of Oklahoma, Norman, Oklahoma
2018-2023	Adjunct Associate Professor, Multidisciplinary Studies, University of Oklahoma, Norman, Oklahoma
2012-present	Affiliate Faculty, Center for Social Justice, The Women's and Gender Studies' Center, University of Oklahoma, Norman, Oklahoma
2005-2020	Adjunct Assistant Professor, Department of Health Administration and Policy, College of Public Health, University of Oklahoma Health Sciences Center, Oklahoma City, Oklahoma
2004-2020	Adjunct Assistant Professor, Departments of Health Policy and Management and Epidemiology and Biostatistics, School of Rural Public Health, Texas A&M University System Health Science Center, College Station, Texas
2005-2012	Assistant Professor, Department of Sociology, University of Oklahoma, Norman, Oklahoma
2004-2005	Assistant Professor of Research, Department of Health Administration and Policy, College of Public Health, University of Oklahoma Health Sciences Center, Oklahoma City, Oklahoma
2003-2004	Associate Research Scientist, Department of Health Policy and Management, School of Rural Public Health, Texas A&M University System Health Science Center, College Station, Texas
2002-2004	Adjunct Assistant Professor, Department of Epidemiology and Biostatistics, School of Rural Public Health, Texas A&M University System Health Science Center, College Station, Texas

2001-2004	Research Scientist, Institute for Science, Technology and Public Policy, George Bush School of Government and Public Service, Texas A&M University, College Station, Texas
1998-2001	Health Research Scientist, Health Services Research and Development, Duke University and VA Medical Centers, Durham, North Carolina
1995-1998	Editorial Assistant, <i>Journal of Armed Forces and Society</i> , Inter-University Seminar on Armed Forces and Society, Texas A&M University, College Station, Texas
1989-1995	Research Associate, Laboratory for the Studies of Social Deviance, Texas A&M University, College Station, Texas

Education

Ph.D.	Sociology Texas A&M University, College Station, Texas 2002
M.S.	Sociology Texas A&M University, College Station, Texas 1990
B.A.	Sociology Idaho State University, Pocatello, Idaho 1987

Papers Presented at Professional Meetings

- Bhochhibhoya, Shristi, Sarah B Maness, Julie Ober Allen, Marshall Cheney, B. Mitchell Peck, and Yu Lu. 2023. Does contraceptive self-efficacy mediate the impact of social determinants of health on contraceptive use? Accepted for presentation at the Annual Meeting of the American Public Health Association, Atlanta, Georgia, November 12-15, 2023.
- Bhochhibhoya, Shristi, Sarah B Maness, Julie Ober Allen, Marshall Cheney, B. Mitchell Peck, and Yu Lu. 2023. Does contraceptive self-efficacy mediate the impact of social determinants of health on contraceptive use? Presented at the Annual Meeting of the American Academy of Health Behavior, San Francisco, California, March 12-15, 2023.
- Bhochibhoya, Shristi, Sarah B. Maness, Julie Ober Allen, Marshall Cheney, B. Mitchell Peck, and Yu Lu. 2022. Exploring the longitudinal link between social determinants of health and contraceptive use. Presented at the Annual Meeting of the American Public Health Association, Boston, Massachusetts, November 6-9, 2022.
- Bhochibhoya, Shristi, Sarah B. Maness, Julie Ober Allen, B. Mitchell Peck, and Yu Lu. 2022. Exploration of social determinants of health in relation to contraceptive use: A cross-sectional study. Presented at the Annual Meeting of the American Public Health Association, Boston, Massachusetts, November 6-9, 2022.
- Miller, Leslie A. and B. Mitchell Peck. 2022. Marginalization in the medical encounter: Ostomy patients experiencing stigmatizing sentiments from medical clinicians. Presented at the Annual Meeting of the American Sociological Association, Los Angeles, California, August 5-9, 2022.
- Miller, Leslie A. and B. Mitchell Peck. 2022. Marginalization in the medical encounter: Do Patients experience stigmatizing sentiments from medical clinicians? Presented at the Annual Meeting of the Society for the Study of Social Problems, Los Angeles, California, August 5-7, 2022.
- Peck, B. Mitchell and Paul R. Ketchum. 2022. Disproportionate minority contact and racism: How we failed children of color – Author Meets Critic Panel. Presented at the Annual Meeting of the Southern Sociological Society, Birmingham, Alabama, April 6-9, 2022.

- Miller, Leslie A. and B. Mitchell Peck. 2021. Stigma in the medical encounter: Ostomy patients experiencing stigmatizing sentiments from medical clinicians. Presented at the Annual Meeting of the Society for the Study of Social Problems, August 4-7, 2021. (online presentation due to Covid-19)
- Miller, Leslie A. and B. Mitchell Peck. 2020. Peoples' experiences with pouches (P.E.W.P.) study: An examination of medical clinician communication and the stigmatization of people with an ostomy. Presented at the Annual International Conference on Stigma at Howard University, Washington, DC, November 16-20, 2020. (online presentation due to Covid-19)
- Miller, Leslie A. and B. Mitchell Peck. 2020. Peoples' experiences with pouches (P.E.W.P.) study: An examination of stigmatizing messages from medical providers toward ostomy patients. Presented at the HUMAN/E Health & Healthcare (HHH) Symposium at Creighton University, Omaha, Nebraska, October 23-24, 2020. (online presentation due to Covid-19)
- Miller, Leslie A. and B. Mitchell Peck. 2020. A prospective examination of racial microaggressions in the medical encounter. Presented at the Annual Meeting of the American Sociological Association, San Francisco, California, August 8-11, 2020. (online presentation due to Covid-19)
- Miller, Leslie A. and B. Mitchell Peck. 2020. Peoples' experiences with pouches (PEWP) study: An examination of stigmatizing messages from medical providers toward ostomy patients. Accepted for presentation at the Annual Meeting of the Society for the Study of Social Problems, San Francisco, California, August 7-9, 2020. (cancelled due to Covid-19)
- Miller, Leslie A. and B. Mitchell Peck. 2019. Let's talk about PEWP: An examination of provider-ostomate communication over time. Presented at the Annual Meeting of the Society for the Study of Social Problems, New York, New York, August 9-11, 2019.
- Polasek, Patrick M., Paul R. Ketchum, and B. Mitchell Peck. 2018. Differential offending, differential treatment, or both: A DMC program review. Presented at the Annual Meeting of the Southwest Social Science Association, Orlando, Florida, October 10-13, 2018.
- Ketchum, Paul R. and B. Mitchell Peck. 2018. Racial bias in juvenile crime rates: How disproportionate minority contact serves as a basis for stifling diversity. Presented at the Annual Meeting of the Southern Sociological Society, New Orleans, Louisiana, April 4-7, 2018.
- Sperry, Tory and B. Mitchell Peck. 2017. The effects of race on juvenile arrest: How race in Oklahoma impacts the outcome of juvenile police contact. Presented at the Annual Meeting of the Oklahoma Sociological Association, Norman, Oklahoma, November 3, 2017.

- Peck, B. Mitchell. 2003. The doctor-patient relationship: Implications for health policy and quality care. Presented at the Policy Lecture Series of the George Bush School of Government and Public Service, Texas A&M University, College Station, Texas, March 2003.
- Peck, B. Mitchell. 2002. Air quality issues in Texas: Public attitudes and expert opinion. Presented to the Texas Department of Transportation and the Texas Transportation Institute, Austin, Texas, February 2002.

External-Sponsored Research

Completed Projects

Expanding Parent Representation in Oklahoma Custody Court Cases (2021-2022)

Oklahoma Supreme Courts Network | ST-OSCN

One year study to collect and analyze data to make cost projections for creating centralized capacity for high quality legal representation for parents in custody court cases across the state of Oklahoma.

Completed, May 2021 – February 2022.

Co-Principal Investigator

\$39,747.00

Recidivism Rates in Oklahoma (2016)

Oklahoma Office of Juvenile Affairs

One year study (secondary data analysis) to assess the effectiveness of the 2 largest juvenile treatment strategies (group home and early intervention programs) aimed at reducing recidivism. Completed, February 2016 – January 2017.

Co-Principal Investigator

\$50,000

Delinquent Schools: School Context and Delinquency (2013)

U.S. Department of Justice, Office of Juvenile Justice and Delinquency Prevention, Field-Initiated Research and Evaluation (FIRE) Program

Two-and-a-half-year study to assess studies of school-based practices, environment, and achievement related to student victimization and the risk of delinquency. Completed, December 2013 – May 2016.

Co-Principal Investigator

\$200,000

Assessment Study of Disproportionate Minority Contact with the Oklahoma Juvenile Justice System (2012)

U.S. Department of Justice, Office of Juvenile Justice and Delinquency Prevention

One year study to 1) identify extent of disproportionate minority contact (DMC) with the justice system, and 2) develop strategies for the reduction of DMC that are both feasible and cost effective. Completed, December 2012 – March 2014.

Co-Principal Investigator

\$150,000

Political and Racial Attitudes of College Students (2006)

College of Arts and Sciences Faculty Enrichment Grant

Study to describe political and racial attitudes of college students and commitment to those attitudes. Completed, May 2006 – December 2006.

Principal Investigator

\$1,200

Evaluation of the “Drive Clean Across Texas” (DCAT) Air Quality Improvement Campaign (2003)

Texas Commission on Environmental Quality

One year study to assess public attitudes toward air quality issues, perceived risks of air pollution, and acceptance of and willingness to act on proposed policies following a 2-year state-wide campaign to improve air quality. Completed, July 2003 – July 2004.

Co-Investigator (PI: Arnold Vedlitz, PhD, Texas A&M University)

\$84,558

Longitudinal Investigation of Fertility and the Environment (LIFE) (2003)

National Institute of Child Health and Human Development

Five-year prospective study to evaluate the relationship between paternal and maternal exposures to polychlorinated biphenyls, organochlorine pesticides, and phthalates and indicators of fecundity and fertility. Completed, February 2003 – August 2008.

Research Scientist (PI: Anne Sweeney, PhD, Texas A&M University System)

\$2,107,720

Utilization of Science-Based Information on Climate Change in Decision Making and the Public Policy Process (2003)

National Oceanic and Atmospheric Administration

Two-year study to assess how citizens, decision-makers, policy makers, and climate change scientists utilize science-based information on climate change in their individual and collective decision processes. Completed, September 2003 – August 2005.

Co-Investigator (PI: Arnold Vedlitz, PhD, Texas A&M University)

\$960,000

Use of Science in Gulf of Mexico Decision Making Involving Climate Change (2002)

U.S. Environmental Protection Agency

Three-year study to assess how various stakeholder groups in the Gulf of Mexico region currently use science information about global climate change. Completed, October 2002 – October 2005.

Research Scientist (PI: Arnold Vedlitz, PhD, Texas A&M University)

\$1,500,000

Soliciting Patient Expectations to Enhance Communication and Health (SPEECH) (2001)

VA Health Services Research and Development

Four-year randomized, controlled trial of patients with diabetes and arthritis to evaluate the acceptability and effectiveness of using interactive voice response (IVR) to elicit patients' generic pre-visit concerns and expectations. Completed, January 2001 – June 2004.

Research Scientist (PI: James A. Tulsky, MD, Duke University Medical Center)

\$707,600

Fox River Environment and Diet Study (FRIENDS) of Perinatal PCBs and Neuropsychological and Auditory Function (2001)

National Institute of Environmental Health Sciences (NIEHS)

Five-year prospective study to evaluate maternal consumption of fish high in polychlorinated biphenyls (PCBs) and methyl mercury (MeHg) and the association with cognitive deficits in children. Completed, November 2001 – October 2007.

Research Scientist (PI: Anne Sweeney, PhD, Texas A&M University System)

\$5,568,992

Understanding Air Quality Issues in Texas: Public Attitudes and Expert Opinion (2000)

Texas Natural Resource Conservation Commission

One-year study to assess public attitudes toward air quality issues, perceived risks of air pollution, and acceptance of and willingness to act on proposed policies. Completed, November 2000 – October 2001.

Research Scientist (PI: Arnold Vedlitz, PhD, Texas A&M University)

\$73,750

Negotiating Patient Expectations in a Managed Care Environment (1998)

VA Health Services Research and Development

Three-year prospective cohort study that examined the nature and prevalence of patients' expectations and requests, how providers and patients negotiate these expectations, and the relationship between provider communication, unmet expectations, and patient satisfaction. Completed, April 1998 – March 2001.

Research Scientist (PI: James A. Tulsky, MD, Duke University Medical Center)

\$654,200

Program Of Resident Education to Promote Awareness and Respect at the End of Life (PREPARE) (1997)

Robert Wood Johnson Foundation

Three year prospective, controlled trial of an educational intervention to improve the care of dying patients; integrated and evaluated a curriculum on palliative care for house staff and faculty into a primary care medicine service. Completed, January 1997 – February 2002.

Research Scientist (PI: James A. Tulsky, MD, Duke University Medical Center)

\$943,180

Projects Submitted/Not Funded

Smart Policing Initiative (2017)

U.S. Department of Justice

Three-year study to assess the efficacy of a program designed to reduce bias and prejudice in policing.

Co-Principal Investigator

\$695,228

Chance-for-Success: Changing Oklahoma's school culture to improve educational outcomes for youths in urban and rural schools (2016)

Inasmuch Family Foundation

One year study to assess the social and psychological barriers impeding the educational success of Oklahoma's at-risk youth.

Co-Principal Investigator

\$42,294

Improving Urban School Chance for Success: Assessment of Urban School College Preparation Courses (2016)

Boeing Foundation

One-year study to assess the efficacy of introducing college-preparation courses into high-risk urban schools.

Co-Principal Investigator

\$69,000

Improving Urban School Chance for Success: Assessment of Urban School College Preparation Courses (2016)

OG&E Foundation

One-year study to assess the efficacy of introducing college-preparation courses into high-risk urban schools.

Co-Principal Investigator

\$10,000

Disproportionate Minority Contact in the Juvenile Justice System: An Analysis of DMC Comparing Self-Report Data with Police, Juvenile Court, and School Behavior Data (2015)

National Institute for Justice

Two-year study to compare self-report data with institutional and organizational data sources to assess disproportionate minority contact.

Co-Principal Investigator

\$460,546

Assessment of Disproportionate Minority Contact Among Oklahoma Youth (2015)

William T. Grant Foundation

One-year study to assess the role of policing in the disproportionate minority contact within the juvenile justice system in Oklahoma.

Co-Principal Investigator

\$25,000

Assessing Latino Contact with the Juvenile Justice System in Oklahoma (2014)

U.S. Department of Justice, Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention (OJJDP-2014-3941)

One year study to assess the degree of contact Latino youth have with the juvenile justice system.

Co-Principal Investigator

\$50,000

Reducing Disproportionate Minority Contact In the Juvenile Justice System (2014)

National Center for Building Community Trust and Justice: Improving the Justice System by Enhancing Procedural Justice, Reducing Bias, and Supporting Racial Reconciliation (DOJ-2014-3797)

Three year center grant to establish and evaluate strategies to mitigate disproportionate minority contact in the juvenile justice system.

Co-Principal Investigator

\$4,700,000

Causes of Disproportionate Minority Contact in the Juvenile Justice System: An Analysis of DMC Comparing Self-Report Data with Police, Juvenile Court and School Behavior Data (2014)

National Institute of Justice, Research and Evaluation on Justice Systems (NIJ-2014-3748)

Three-year study to assess the fundamental influences of disproportionate minority contact in the juvenile justice system.

Co-Principal Investigator

\$460,546

Loveworks: An Evaluation of a Site-Based, Team Mentoring Program for At-Risk Youth (2013)

U.S. Department of Justice, Office of Juvenile Justice and Delinquency Prevention, Mentoring Best Practices Research (OJJDP-2013-3415)

Two-and-a-half-year study to assess studies of school-based practices, environment, and achievement related to student victimization and the risk of delinquency.

Assistant Principal Investigator

\$495,000

Understanding the Role of Trust in Health Care to Improve Access and Quality of Health Care for Native American Indians (2009)

National Institutes of Health (COBRE Award)

Five-year study to assess the role of trust on important health outcomes for Native Americans.

Principal Investigator

\$844,442

Professional Consulting

Previous Projects

Race in the Oklahoma Foster Care System (2020-2021)

Oklahoma Chapter of the NAACP

Consulted with the NAACP to assess racial differences in entrance of children into state supervision and foster care.

Data Analyst

Fraudulent Medical Billing (2015-2021)

U.S. Attorney's Office, Western District of Texas, San Antonio, Texas

Consulted with Assistant U.S. Attorneys in the Civil and Criminal Divisions to assess the extent of fraudulent medical claims by medical providers and clinics.

Expert Witness and Paid Data Analyst

Fraudulent Medical Billing (2010-2013)

U.S. Attorney's Office, Northern District of California, San Francisco, California

U.S. Postal Service Office of Inspector General, Arlington, Virginia

Consulted with inspectors from the U.S. Postal Service and Assistant U.S. Attorneys in the Civil and Criminal Divisions to assess the extent of fraudulent medical claims by medical providers and clinics.

Expert Witness and Paid Data Analyst

Fraudulent Medical Billing (2008-2010)

U.S. Attorney's Office, Western District of Oklahoma, Oklahoma City, Oklahoma

U.S. Attorney's Office, Northern District of Texas, Dallas, Texas

U.S. Postal Service Office of Inspector General, Arlington, Virginia

Consulted with inspectors from the U.S. Postal Service and Assistant U.S. Attorneys in the Civil and

Criminal Divisions to assess the extent of fraudulent medical claims by medical providers and clinics.
Expert Witness and Paid Data Analyst

Teaching Experience

Undergraduate Courses:

Social Stratification, Social Statistics, Principles of Sociology, Methods of Social Research, Industrial Sociology, The Military and Society, Medical Sociology, Advanced Statistics, Juvenile Justice and Race, Sociology of Music, Senior Capstone (Planned Program and Multi-Disciplinary Studies)

Graduate Courses:

Fundamental Social Statistics, Advanced Social Statistics, Social Stratification, Medical Sociology, Managed Health Care, Data Management and Computing, Health Services Research Methods, Program Evaluation, Public Policy and Inequality, Health Policy, Analysis of Political and Administrative Data, Professionalization Seminar

Condensed Format and Online Courses:

Online courses: Data Management and Computing, Public Policy and Inequality, Statistics.
Condensed/compressed format courses, ranging from 7-day courses, 2-week courses, and 4-week courses: Program Evaluation, Public Policy and Inequality, Health Policy, Analysis of Political and Administrative Data, Statistics.

Student Advising:

Summary: Served on 117 student committees, 109 graduate students, 8 undergraduate students. Mentored/chaired 2 Department of Sociology Outstanding PhD Student Award winners and 3 Outstanding MA Student Award winners. Mentored/chaired 2 students who won University-wide dissertation completion fellowships (i.e., the Mergler or Bullard award).
