

Work Plan Development S WK 5816

E-1 ENGAGE IN POLICY PRACTICE

Behaviors:

- Engage in effective policy action with colleagues and clients when possible.
- Analyze an organization’s policies, procedures and resources to ensure best client service delivery.
- Critically appraise recruitment, admissions and hiring, and retention efforts that ensure diverse representation in work force and leadership.

When creating work plans, think about:

Field Instructor – What are policy issues or concerns are currently facing your agency?
What policy elements do you believe are important for students to learn?

Student – What policy elements would be helpful to learn at your agency?
What policy elements are you interested in learning more about?

Write your responses here: _____ _____ _____ _____ _____
