

The UNIVERSITY of OKLAHOMA
Gallopy College of Engineering
School of Civil Engineering and Environmental Science

**APPLICATION FOR ACCELERATED BS/MS ENVIRONMENTAL ENGINEERING
DEGREE PROGRAM**

Scope of Program

The School of Civil Engineering and Environmental Science (CEES) combined BS/MS Environmental Engineering Program is offered for qualified undergraduate students to pursue a graduate degree in conjunction with the undergraduate degree requirements. Students accepted into the program can share up to 6 credit hours to satisfy the requirements of both the BS and MS degrees. With proper planning, the Accelerated BS/MS Program allows students to complete their Master's degree requirements in less time than is possible in the traditional Master's Program.

Students accepted into the program are responsible to update their coursework plan prior to enrolling in said course. Updates will be accepted in the first two weeks of each semester. Approval of your coursework plan does not override the need to obtain written permission from the course instructor before enrolling in courses for graduate credit.

Acceptance into the Accelerated BS/MS Program does not guarantee admission to graduate school upon graduation with the BS degree. Prior to acceptance into the CEES Graduate Program, you must submit two letters of reference, statement of goals and continue to meet GPA requirements. If your Major GPA-OU falls below the 3.20 threshold but stays above a 3.00, your Graduate College application will be considered as a traditional MS application. Final acceptance to the graduate program is subject to approval of the CEES Graduate Studies Committee and Dean of the Graduate College.

Entrance Requirements for CEES Accelerated BS/MS Program

- **DEADLINE FOR APPLICATION:** During the first two weeks of the semester in which you are applying; No earlier than the junior year and no later than the final two full semesters prior to completing the BS degree.
- GPA of 3.20 or better in Environmental Engineering curriculum (Major GPA-OU) at the time of application (a copy of the student's transcript must be attached)
- A CEES professor and the CEES Graduate Liaison must endorse the application.
- Not available to students transferring in beyond junior standing in Environmental Engineering.
- Not available retroactively to students admitted to the graduate program.
- Students must maintain continuous enrollment until MS is awarded, starting with the senior year in the BS program.
- Students must meet the admission requirements of CEES and the Graduate College prior to graduate enrollment.
- Courses taken prior to the process of your Accelerated Degree Graduate Coursework Plan (ADGCP) & switching to the accelerated code (B390 to A390), cannot be applied to graduate degree credit.

If you have any questions, please email ceesgradstudies@ou.edu

CHECKLIST FOR CEES ACCELERATED DEGREE PROGRAM (ADP)
Effective Spring 2022

Applicants to the CEES ADP must submit the following application items:

1. Complete and signed “Supplemental Application” form (Attachment A)
2. Complete and signed “Endorsement of Application” form (Attachment B)
3. A copy of the student’s up to date, unofficial transcript
4. Resume
5. Complete Accelerated Degree Graduate Coursework Plan (ADGCP), signed by student only (Attachment C)
6. Draft Program of Study (PoS), signed by student only (Attachment D)

ADP Application Submission:

Return your completed application to the CEES Graduate Liaison at ceesgradstudies@ou.edu

Deadline to Submit ADP Application:

1. During the first two weeks of the semester in which you are applying
2. No earlier than the junior year and no later than the final two full semesters prior to completing the BS degree.

CHECKLIST FOR GRADUATE COLLEGE’S

Student must submit the ACOP application by the deadline indicated below and the semester prior to starting the Master’s. ACOP includes submission of resume, two reference letters, and a statement of goals or purpose (500 words or less).

Starting the Master’s in the Summer semester requires explicit approval from Graduate Admissions. Email gradadm@ou.edu to request Summer admission after your Graduate College application has been submitted.

<u>Starting MS Semester</u>	<u>U.S. Citizen</u>	<u>Non U.S. Citizen</u>
Fall/Summer Semester	January 15	January 15
Spring Semester	August 15	August 15

Take note of the deadlines found in the CEES Graduate Student Milestone Deadline Summary (Attachment E) for once you begin the graduate portion of your degree. Some forms may be due within the first two weeks of the semester you begin your graduate degree.

ATTACHMENT A

**SUPPLEMENTAL APPLICATION FOR
ACCELERATED BS/MS ENVIRONMENTAL ENGINEERING DEGREE PROGRAM**

This application is for the accelerated BS/MS Environmental Engineering Program with specialization in (mark one from each area from the list below):

Environmental Engineering

☐ **Thesis OR** ☐ **Coursework Only**

1. Name _____

Last (Family Name)

First

Middle

2. Student ID Number _____

3. Mailing Address _____

4. E-mail _____

5. GPA in Environmental Engineering Curriculum (Major GPA_OU) _____

Applicant Signature / Date

ATTACHMENT B

ENDORSEMENT OF APPLICATION FOR ACCELERATED BS/MS ENVIRONMENTAL ENGINEERING DEGREE PROGRAM

This application is for the accelerated BS/MS Environmental Engineering Program with specialization in (mark one from each area from the list below):

Environmental Engineering

☐ **Thesis** OR ☐ **Coursework Only**

I support the application of _____ for admission to the Accelerated BS/MS Program. The following courses should be approved for fulfilling the graduate and undergraduate programs:

Proposed courses to be taken for shared graduate credit (a maximum of 6 credit hours can be shared between the two degrees. The courses must be graduate level courses).

Course 1 _____
(Course Prefix and Number) (Course Title) (Semester Taken)

Course 2 _____
(Course Prefix and Number) (Course Title) (Semester Taken)

Proposed courses to be taken for additional graduate credit not applied to the Bachelor's degree (a maximum of 7 credit hours can be taken. The courses must be graduate level courses).

Course 1 _____
(Course Prefix and Number) (Course Title) (Semester Taken)

Course 2 _____
(Course Prefix and Number) (Course Title) (Semester Taken)

Course 3 CEES 5021 Technical Communications (only for thesis students) _____
(Course Prefix and Number) (Course Title) (Semester Taken)

Endorsed by:

CEES Faculty Signature / Date

CEES Graduate Liaison Signature / Date

NOTE: This form must first be signed by the CEES faculty member prior to obtaining the signature of the Graduate Liaison.

GUIDELINES FOR COMPLETING THE ACCELERATED DEGREE GRADUATE COURSEWORK PLAN (ADGCP)

Select the link below to access the appropriate ADGCP form:

A390-BS Env Engr/MS Env Engr

<http://www.ou.edu/content/dam/gradcollege/docs/forms/adgcp/gc-adgcp-bsenvengr-msee.pdf>

Select your shared coursework from the choices below or use any approved CEES 5000-level course:

CEES 4123G Open Channel Flow

CEES 4243G Water Tech for Emerging Regions

CEES 4253G Statistics and Probability

CEES 4263G Hazardous and Solid Waste Management

CEES 4273G WaTER Technical Field Methods

CEES 4333G Foundation Engineering

CEES 4453G Geomatics Engineering

CEES 4663G Introduction to Matrix Methods in Structural Analysis

CEES 4753G Structural Design-Wood

ENGR 4513G Introduction to Sustainable Engineering

ENGR 4000G courses may only be used as shared coursework/dual credit with approval by the CEES Graduate Studies Committee.

You can also find a list of approved professional electives here

<https://www.ou.edu/content/dam/CoE/WSSC/Degree%20Plans%20-%20Flowcharts/2017-2018/CEES%20Professional%20Electives.pdf>

Look at ClassNav for information about the semester a course is expected to be taught.

You are limited to 9 credit hours of CEES 4000G courses in your master's program and 12 credit hours of 4000G courses overall. For example, you can have one ENGR 4000G course plus three CEES 4000G courses at maximum.

Example Only (next page):

ACCELERATED DEGREE GRADUATE COURSEWORK PLAN

Bachelor of Science in Civil Engineering / Master of Science (Civil Engineering)

Undergraduate Major Code: A190

ADP effective Summer 2017

This is a sequential accelerated degree program. The B.S. is conferred before the student's admission to the M.S. program.

This form should be completed by the undergraduate college advisor, the undergraduate liaison (if applicable), and the student upon the student's admission to the accelerated degree program (ADP). The graduate liaison for the master's degree should verify that the shared coursework is appropriate before signing.

After receiving and reviewing this form, the Graduate College academic counselor will contact the student, undergraduate college advisor, undergraduate liaison (if applicable), and graduate liaison via OU email.

To the undergraduate college advisor:

Complete the following information. ~~If the student has not already been placed in the accelerated major code indicated above, effective for the semester of their admission to the ADP, please initiate that change now.~~

Student Name: Boyd Student OU ID: 11X-XX-XXXX Current Overall GPA: 3.20+

Semester of Admission to ADP: Fall 2020 Anticipated Semester of Bachelor's Completion: Spring 2021

To the student:

Read this information carefully. If you have questions or concerns, contact your advisors and/or the Graduate College.

Conditions and Limitations of Participation in the Accelerated Degree Program

Now that you have been admitted to the ADP, you will be engaged, assessed, and graded as a graduate student, although you will remain an undergraduate student until your bachelor's degree has been conferred. You will not be considered a graduate student with regard to funding opportunities, such as graduate assistantships, until your undergraduate college has cleared you for graduation with the bachelor's degree and you have been admitted to the graduate portion of the ADP.

Once you are admitted to the graduate portion of the ADP, you must meet all requirements and deadlines for the master's degree outlined in the [Graduate College Bulletin](#), such as submitting a *Program of Study* and applying for graduation.

Eligibility for graduate admission:

- During the final semester of your bachelor's degree, you will need to submit an online application for admission to the graduate portion of the ADP through the Office of Graduate Admissions.
- You must meet the Graduate College admission criteria outlined in the [Graduate College Bulletin](#) to be eligible for admission to the graduate portion of the ADP. No exceptions will be made and conditional admission will not be permitted.

Grade point average (GPA) requirements:

- Your GPA will be monitored by your undergraduate college until you have completed the bachelor's degree. If your undergraduate GPA, graduate GPA and/or overall GPA fall below a 3.0, you will be removed from the ADP and readmission to the ADP will not be permitted.
- Once you are admitted to the graduate portion of the ADP, your GPA will be monitored by the Graduate College. If your graduate GPA and/or overall GPA fall below a 3.0, you will be removed from the ADP. Neither academic probation nor readmission to the ADP will be permitted. You may apply to the stand-alone master's degree program, but you may not share hours (see the [Graduate College Bulletin](#) for rules on master's degree credit taken before graduate admission).
- The GPAs reported on your transcript may not reflect the GPA calculation methods used to determine your academic standing.

Student Name: Boyd StudentOU ID: 11x-xx-xxxx

The following information should be completed by the student and verified by the undergraduate college advisor, undergraduate liaison (if applicable), and graduate liaison of the master's degree program. Any changes to the coursework indicated below will require submission of a new Accelerated Degree Graduate Coursework Plan.

To the student: List up to 6 hours of graduate electives that you will share between your undergraduate and graduate degrees. Coursework taken before your semester of admission to the ADP cannot be shared. Please note that not all 4000-level classes carry graduate credit; those that do are indicated as "approved for graduate credit" in the OU Course Catalog.

Shared Graduate Coursework

COURSE PREFIX & NUMBER	COURSE NAME	HOURS	SEMESTER & YEAR
CEES 4753G	Structural Design - Wood	3	Fall 2020
CEES 4453G	Geomatics Engineering	3	Fall 2020

With approval of your advisors and the graduate liaison of the master's degree program, you may decide to take additional graduate coursework applicable to the master's degree requirements before you complete your undergraduate degree. However, these courses may not be applied to your bachelor's degree. List any additional graduate coursework below.

Additional Graduate Coursework Not Applied to the Bachelor's Degree

CEES 5021	Technical Communications	1	Spring 2021
CEES 5793	Prestressed Concrete Structures	3	Spring 2021
CEES 5663	Structural Analysis II	3	Spring 2021

I affirm I have read and understand the conditions and limitations of participating in this accelerated degree program, as described on the preceding page.

I understand I am responsible for maintaining the required grade point average and meeting the academic standards necessary to continue as an accelerated student.

I understand I am responsible for reviewing the policies and procedures governing graduate study at the University of Oklahoma as published in the [Graduate College Bulletin](#).

CEES GRADUATE STUDENT MILESTONE DEADLINE SUMMARY

CEES GRADUATE STUDENT MILESTONE DEADLINE SUMMARY

CHECKLIST FOR ACCELERATED COURSEWORK-ONLY MASTER'S DEGREE	
Milestone	Deadline
Applying for Accelerated Program	Submit ADP application during the first two weeks of the semester. See ADP application for restrictions.
Submit Program of Study Form*	<u>CEES DEADLINES AS OF FALL 2022:</u> No later than the first two weeks of the semester before graduation, generally: Feb. 1 for Summer <u>and</u> Fall graduation Sept. 1 for Spring graduation
Apply for Graduation	Beginning of the semester you plan to graduate, No later than: February 15 for Spring graduation June 1 for Summer graduation September 15 for Fall graduation
Request Changes to Program of Study	Contact advisor promptly and submit changes ASAP; no changes within 30 days of graduation
Complete CEES Exit Survey^	Prior to graduation, CEES staff will contact you
If you need certification of completing your degree before diplomas are released, submit a Request for Letter of Completion . More on diplomas can be found here .	

*=possibly due BEFORE first semester for VA or other benefit confirmation

^=CEES Requirement

This summary is meant as a general guide to milestone timelines only. For specific FINAL DUE DATES and links to forms see <http://www.ou.edu/gradcollege/current-students/progress-completion/deadlines>. Updated 1/26/22

CEES GRADUATE STUDENT MILESTONE DEADLINE SUMMARY

CHECKLIST FOR ACCELERATED THESIS MASTER'S DEGREE	
Milestone	Deadline
Applying for Accelerated Program	Submit ADP application during the first two weeks of the semester. See ADP application for restrictions.
Complete Professional Ethics Training [^] (select "CITI Updated Registration Instructions – Graduate Students and Postdocs")	For funded students: within first year of enrollment and prior to submitting the Program of Study
Submit Program of Study* and Master's Thesis Topic and Committee Membership Forms	<u>CEES DEADLINES AS OF FALL 2022:</u> No later than the first two weeks of the semester before defense, generally: Feb. 1 for Summer <u>and</u> Fall defense Sept. 1 for Spring defense
Review Graduate College Thesis/Dissertation Instruction Packet	BEFORE you begin writing
Submit Thesis Prospectus [^]	No later than: May 15 for Summer defense August 15 for Fall defense* December 15 for Spring defense *Encourage May 15 for Fall defense since faculty may not be available during the Summer.
Apply for Graduation	Beginning of the semester you plan to graduate, No later than: February 15 for Spring graduation June 1 for Summer graduation September 15 for Fall graduation
Request Changes to Program of Study or Thesis Forms	Contact your advisor promptly and submit changes ASAP; no changes within 30 days of defense
Request Degree Check	During the first two weeks of your defense semester
Submit Reading Copy of Thesis to Committee [^]	Four weeks prior defense
Submit the Report of Reading Copy/Request for Authority to Defend Form	Four weeks prior to the last day of finals, and at least 10 working days prior to defense
Submit Defense Abstract [^]	At least two weeks before your defense
Defend Thesis	No later than two weeks prior to the last day of finals

This summary is meant as a general guide to milestone timelines only. For specific FINAL DUE DATES and links to forms see <http://www.ou.edu/gradcollege/current-students/progress-completion/deadlines>. Updated 1/26/22

CEES GRADUATE STUDENT MILESTONE DEADLINE SUMMARY

Return Authority Report Form to the Graduate College	No later than 72 hours after your defense
Submit Approval for Thesis/Dissertation Submission to SHAREOK	At least one week prior to the last day of finals, preferably immediately after committee has approved final Thesis
Submit Thesis to SHAREOK	At least one week prior to the last of finals OR within 60 days of defense, whichever comes first; if not satisfied you <u>must</u> enroll in 2 credits of research the following semester
Complete CEES Exit Survey [^]	After defense, CEES staff will contact you
If you need certification of completing your degree before diplomas are released, submit a Request for Letter of Completion . More on diplomas can be found here .	

[^]=CEES Requirement

^{*}=possibly due BEFORE first semester for VA or other benefit confirmation

This summary is meant as a general guide to milestone timelines only. For specific FINAL DUE DATES and links to forms see <http://www.ou.edu/gradcollege/current-students/progress-completion/deadlines>. Updated 1/26/22
