

THE LISTENING PROJECT

Listening with our eyes: Telling stories that cross cultures

Lisa Berglund and Kari Costanza are World Vision storytellers who tell compelling stories from the forefront of conflict and struggle around the globe. The duo's super power is their ability to drop into these spaces and to listen/observe before deciding how to best capture the stories of the people they are meeting.

November 6th, 1:30 p.m.
Gaylord Auditorium

The Listening Project is a Presidential Dream Course and financially supported by the Office of the President. All speaker events are free and open to the public.
