

THE LISTENING PROJECT

My VA, My Story: Listening as caretaking

Thor Ringler works as a writer/editor at the Madison VA Hospital where he manages the My VA, My Story project.

My VA, My Story team members interview veterans about their life stories, write up narratives and revise the stories with veteran input. The narratives are then added to the electronic medical record and shared with the veteran's care team.

Thor will be discussing how these stories have fostered a closer connection between medical providers and the veterans in their care.

October 28th, 1:30 p.m.
Gaylord Auditorium

The Listening Project is a Presidential Dream Course and financially supported by the Office of the President. All speaker events are free and open to the public.
