

THE LISTENING PROJECT

*Politics, sex and religion are the only things
worth talking about*

Stafford Wood is a deadly combination of strategic brains, mystical intuition, humor and corporate marketing intelligence. As founder of Covalent Logic, Wood leads a team of 30 communications professionals to serve some of the largest global clients. She has a versatile background including being a Cyber-cop at AOL and expert in pre-Renaissance Eastern European History.

Wood will bring her contagious spirit to challenge us all to have the difficult conversations with the people around us. Learn how to stop avoiding the controversial topics among your family, friends, classmates and colleagues.

November 11th, 1:30 p.m.
Gaylord Auditorium

The Listening Project is a Presidential Dream Course and financially supported by the Office of the President. All speaker events are free and open to the public.
