# Happy Teacher

## Terms & Conditions

### Welcome to The Happy Teacher App

By using The Happy Teacher app, you agree to these Terms & Conditions.

The app is designed to support early childhood educators through wellness resources, reflection tools, AI-assisted guidance, and professional support. The app is for informational and educational purposes only and does not provide medical or mental health treatment.

### By using the app, you agree to:

- Use the app responsibly and respectfully
- Provide accurate account information
- Keep your login information secure
- Avoid sharing harmful, unlawful, or inappropriate content

### Content Disclaimer

- The Happy Teacher app provides wellness, educational, and coaching-related content for general informational purposes only. It does not provide medical, psychological, or psychiatric advice, diagnosis, or treatment, and should not be used as a substitute for professional care. Use of the App, including any AI-based coaching, does not create a therapist-client or medical provider relationship.
- By using the App, you acknowledge that you are solely responsible for how you interpret and apply the information provided. Participation in wellness activities involves personal judgment and may include emotional or physical risks, which you

voluntarily assume. We do not guarantee any specific outcomes related to well-being, stress reduction, or professional improvement.

- The App is not intended for use in crisis situations. If you are experiencing a mental health or medical emergency, you should seek immediate help by contacting 911 or a qualified professional.
- To the fullest extent permitted by law, the Happy Teacher App and its affiliates are not liable for any indirect, incidental, or consequential damages arising from your use of the App. All use of the App is at your own risk. The App may include links to third-party services, for which we are not responsible.

### **Privacy**

Your use of the App is also subject to our Privacy Policy.

### **Changes**

We may update these Terms periodically. Continued use of the App means you accept the updated Terms.

## **Privacy Policy**

### **Your Privacy Matters**

The Happy Teacher app values and protects your privacy.

### **Information We May Collect**

- Name and email address
- App usage information
- Optional feedback or survey responses

### **How We Use Information**

We use information to:

- Improve App features and user experience
- Provide wellness and educational support
- Improve AI-generated responses
- Conduct de-identified research related to educator well-being

### **Data Protection**

We do not sell personal information. We use reasonable safeguards to protect user data.

### **AI Features**

Please avoid sharing highly sensitive personal, financial, or medical information in the AI chat features.

### **Your Rights**

You may request to access, update, or delete your information by contacting us.

## **FAQs**

### **What is The Happy Teacher App?**

The Happy Teacher App is a wellness and professional support app designed for early childhood educators.

**Who can use the app?**

The app is intended for educators, childcare providers, and early childhood professionals.

**Is the AI Coach a real therapist?**

No. The AI Coach is an AI-powered support tool and not a licensed mental health professional.

**Is my information private?**

Yes. We take user privacy seriously and do not sell personal information.

**Is it free?**

The charge of this app is free, in this testing period, but there may be some small charge in the future for maintenance and sustainability". We will continue to develop the content and features above.

**What should I do if the app is not working?**

Try restarting the app or updating to the latest version. If issues continue, contact support.

**Help & Support**
