- We cannot process aid retroactively for periods of ineligible status as unclassified, special, provisional, or deferred.

Disbursement for all Social Work students will not occur until the first day of the first course provided that Satisfactory Academic Progress (SAP) requirements have been met.

Failure to maintain Satisfactory Academic Progress will cause you to be suspended from financial aid. Academic Progress Standards are strictly enforced and apply equally to traditional and non-traditional students. If you have any questions regarding your program, please contact our office.

Cancellation of any enrollments after aid has been disbursed will impact your aid eligibility and may cause a repayment of all or part of your disbursement.
