Admit Status
• Students must have obtained clear admission into the degree program to ensure financial aid can be
processed.
• Students admitted to the University of Oklahoma in an “Unclassified” status are normally ineligible to
receive financial aid because they are not classified as seeking entry into a degree program.
• Students admitted to the University of Oklahoma in a "Provisional" status are normally ineligible to receive
financial aid until they have met the terms of their original admission contract.
• We cannot process aid retroactively for periods of ineligible status as unclassified, special, provisional, or
defered

Enrollment Requirements
• All graduate students must maintain at least five credit hours of enrollment each semester to qualify as half-
time and at least nine credit hours each semester to qualify as full-time.

MHR Program
• Financial aid is only available for coursework in the MHR program up to 36 credit hours or degree
completion, whichever comes first. Federal regulations prohibit funding students who are pursuing
licensure or seeking certification in this program. Only degree seeking candidates may receive aid.
Students who do not complete the MHR program in 36 credit hours should contact the Financial Aid
Services Office for more information.
CERTIFICATION STATEMENT

Before you will be processed for financial aid, this form must be signed and returned to Financial Aid: Non-Traditional Programs, at apaid@ou.edu or fax to 405.325-5337.

By signing the certification statement below, I certify that I understand the information contained in the Financial Aid Disclosure for Advanced Program Students and I agree to all of the following as a condition of my application for financial aid.

I am responsible for completing the financial aid application process according to the timelines required by FAS. Priority processing deadline is 30 days before the semester begins. I must also respond immediately to all requests for information from FAS.

I assume final responsibility for all charges incurred by me at the University of Oklahoma, regardless of financial aid eligibility and I am fully responsible for all student loan repayment obligations which I incur.

I must comply with all enrollment and academic eligibility requirements stated on the Financial Aid Advanced Programs Disclosure and in subsequent publications or correspondence distributed to me.

Failure to maintain Satisfactory Academic Progress will cause you to be suspended from financial aid. Academic Progress Standards are strictly enforced and apply equally to traditional and non-traditional students. If you have any questions regarding your program, please contact our office.

I must notify FAS in writing if my address, admission status, and/or enrollment status changes.

I understand that I am not eligible for financial aid while admitted as a Graduate Provisional student and that I must be fully admitted to an OU Graduate Degree Program before any financial aid eligibility can be determined.

I understand that disbursement does not occur until the first day of the first course of the semester, provided Satisfactory Academic Progress requirements have been met.

CANCELLATION OF ANY ENROLLMENTS AFTER AID HAS BEEN DISBURSED WILL IMPACT YOUR AID ELIGIBILITY AND MAY CAUSE A REPAYMENT OF ALL OR PART OF YOUR DISBURSEMENT.
